SOME BACK TO SCHOOL PARENT TIPS:

- Address any nervous or anxious feelings your student might have. It’s very helpful to have them talk through these different emotions with you.
- Establish a routine. Having a regular bedtime or dinner time helps to lessen their feelings of anxiety.
- Communicate with your student’s teachers. Establishing a relationship with your student’s teacher is vital to his/her success. It’s helpful to let the teacher know the best way and times to contact you.
