SUMMER 2020

ROBOTICS CAMP*

Crews MS teacher, Rod Hames, will help students learn some great logic and problem solving skills programming Parrot Drones, Lego EV3 Robots, and much more. Students will also learn the Python computer language, how to build a computer, solder circuits, stop motion animation and even 3D printing. Class size is limited.

MUSICAL THEATER CAMP*

Students will explore the art of theater through group games, improvisations, vocal work, physical work, and much more! Students will develop a script that will be performed on Thursday. This camp is led by Laura Lindahl. Class is limited to the first 30 students in each session.

SUMMER SPORTS CAMPS

* Try one of our summer sports camps!
Nearly 300 elementary and middle school students participate each summer!

ART CAMP*

Explore art media through hands on projects/activities that engage student's creativity, imagination, visual voice, composition, and so much more! Students will display their art on Thursday in the theater lobby. Loria Crews will lead this camp. Limited to the first 30 students.

DRIVER'S EDUCATION*

Driver's Education is offered at least 3 times per year. Information on registration is available on the BHS web site. Information on classes is also announced at school and available in office A1. We offer one class each summer. Enrollment is limited.
