

Welcome to Jenkins Elementary School!

I am Dr. Michele Smith, and I am excited to serve alongside you here in the Central Gwinnett Cluster. I, along with my faculty and staff look forward to building relationships with you and your families. We look forward to continuing to move forward with the wonderful academic achievement and great work that we have established here at Jenkins. At Jenkins, our primary focus is on teaching and learning. We extend our learning by developing students socially and emotionally by guiding them into becoming contributing citizens here in our community.

Our vision and mission provides us with an understanding daily of why we do what we do. We embrace teamwork and collaboration. We have the capacity to get better and stronger as a school body with your support. We invite you to join in and be a part of TEAM JENKINS and share the vision. We continue to “Create the path and lead the way” by being committed to academic excellence, innovativeness, creativity, connectivity to our work and to one another to ensure that we are in sync with our schools vision and mission. On behalf of the Jenkins Elementary administration, faculty and staff, we welcome you to the 2019-2020 school year.

Kind regards,

Dr. Michele A. Smith  
Principal
