

How to Access eBooks

Destiny Discover and Libby Apps

The **Destiny Discover** app is an app that contains your entire school library catalog. You can read and/or checkout any eBooks that your school library has purchased. See below for directions on accessing ebooks through this app.

Step #1: Search for the Destiny Discover App in your store.

Step #2: Open up the app. Type your school name and select the correct school. Then login using your My eCLASS/Workstation Login.

Gwinnett County Public Library Libby App

With your Branch Out account, you can access all of the eBooks and Audiobooks through the Gwinnett Public Library. You will sign in using your student ID and birthday (MMDD). You can change your password in your profile after you sign in the first time. Employees can sign up for Branch Out in the About Me tab of the employee portal.

Step #1: Search for Libby in your App Store.

Step #2: Open up the app. Click that you do have a library card. Select the Gwinnett County Public Library. Sign in using your student ID and birthdate (MMDD).

The Libby App gives students access to Kids, Teens, and Spanish Collections. Students can place holds or immediately checkout eBooks or audiobooks.
