**TEAMS (Tests of Engineering Aptitude, Mathematics, and Science)** is an annual science, technology, engineering, and mathematics (STEM) competition that challenges middle school and high school student teams to work collaboratively to solve real-world engineering challenges, applying their math and science knowledge in practical, creative ways.

The 2021 TEAMS competition took place between February 27 and March 7. Teams of two to four students compete virtually on competition day for state awards. Top-ranking state teams are invited to compete for Best in Nation.
