

Guest Access – Log In

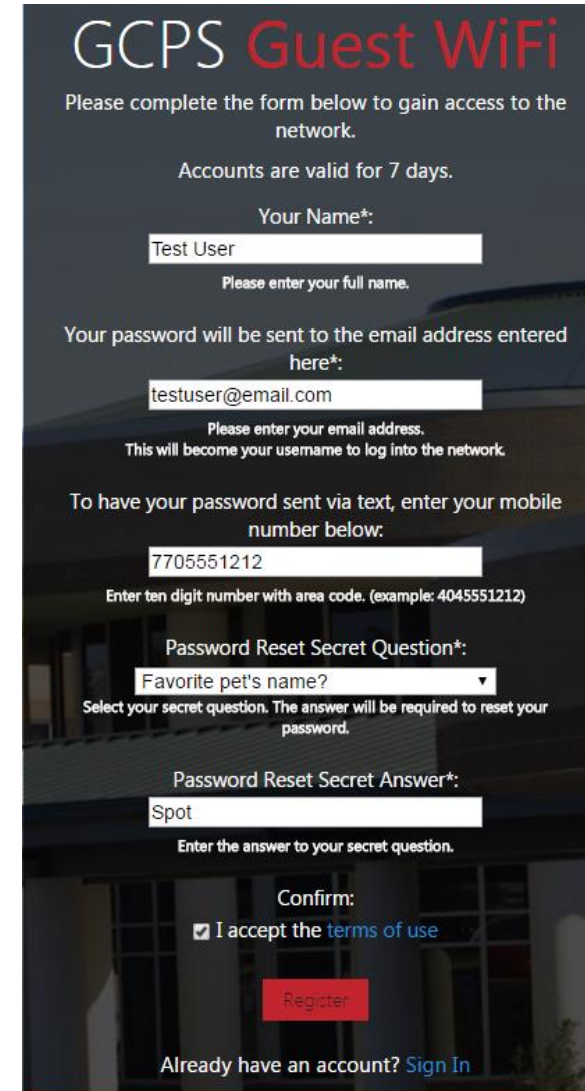

- Guest connects to “GCPS-Guest” WiFi and is presented with login screen
- A new guest clicks the link next to “Need an account?”
- User name not case-sensitive
- There is also a password reset link for self-service reset

The screenshot shows a login interface for GCPS Guest WiFi. The title is "GCPS Guest WiFi" in white and red text. Below the title, it says "Login to the network using your GCPS-provided username and password." There is a note: "Please register for a new account if it has been 7 days since your account was created." and a reminder: "Reminder: Username is your registered e-mail address." The form includes a "Username:" label with a white input field, a "Password:" label with a white input field, and a "Terms:" section with a checkbox and the text "I accept the terms of use". A "Log In" button is located below the password field. At the bottom, there are two links: "Need an account? Click Here" and "Forgot your password? Click Here".

Guest Access - Registration

- Guest completes fields, accepts terms, and registers
- E-mail is user name
- Secret question is setup for self-service password reset
- Password is four numeric characters, sent to e-mail address and/or via text message
- Account e-mails come from `gcpscLEARPASS@gwinnett.k12.ga.us`
