TODAY'S LEARNERS ... TOMORROW'S LEADERS

Dear Lawrenceville Family,

Welcome to the 2018-2019 school year! I am honored to serve as your principal here at Lawrenceville Elementary School (LES) and to be a part of the wonderful Central Gwinnett Cluster.

After an amazing first year here at LES, I am looking forward to another year full of wonderful memories, continuous learning, and improvement. One of the loudest messages I learned last year was the immense sense of family in this school and the wonderful support our community provides. This year I am looking forward to continuing to build relationships with you, your children, and our community. Most importantly, I am excited about another year where we focus on the work of teaching students and ensuring their learning.

We have worked together to develop a new mission for our students where we want to provide all our students with an environment where they lead by learning, embrace diversity, achieve excellence, and develop citizenship. I look forward to continuing the collaborative work with our teachers and staff to ensure this mission happens for all our students here at LES.

We believe that our students are "Today's Learners ... Tomorrow's Leaders." It is our desire to ensure they are the capable leaders of tomorrow by providing them with rigorous instruction, while honoring their differences as learners. We will also work to never neglect our students' social and emotional growth as well.

On behalf of the entire LES faculty and staff, welcome to the 2018-2019 school year. If you have any questions, please feel free to contact the main office at 770-963-1813.

Proud to be your principal,

Grelauris A. Calcaño
