

How to Use Video Note

A Guide for Students

1. Go to your teacher's eCLASS page.

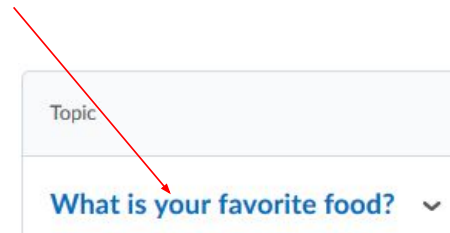

MY eCLASS Course Pages

2. Click **Discussions**.

Discussions

3. Click the blue name of the discussion topic.

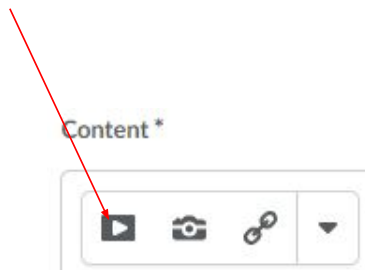

4. Click **Start a New Thread**.

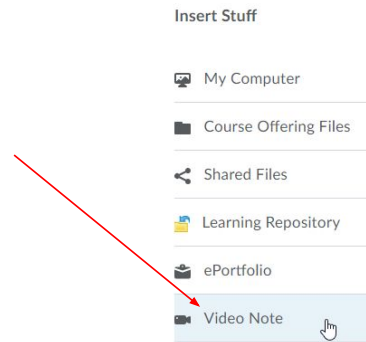

5. Type **Your Name**.

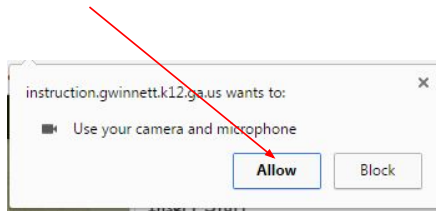

6. Click **Insert Stuff**.

7. Click **Video Note**.

8. Click **Allow** to start the camera.

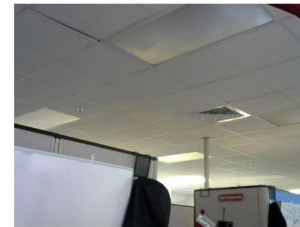

9. Click **Record Webcam Video**.

Record Webcam Video

10. Click **New Recording**.

New Recording

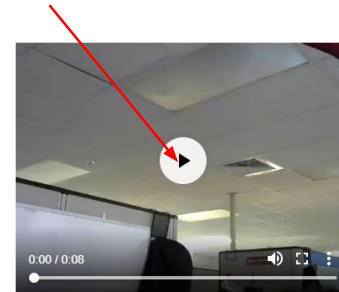

11. Begin speaking. You will see yourself on the video.

12. When you are done, click **Stop Recording**.

13. Click the arrow to hear your recording.

14. Click **Next**.

15. Type your **name** in the Title.

Enter a video note description. A description is useful to users who are unable to view the video. You may also modify the title of the recording.

Title:

Description:
