

What is the Assignments Tool?

The Assignments tool is a place where students can submit work to their teacher. Students can submit document files, add links, create audio or video submissions as well as enter simple text. The teacher can choose whether or not these submissions will be graded or given feedback.

To submit an assignment that requires a file:

1. Select **Assignments**.

*Note: You may need to first select **Activities** and then **Assignments**.*

2. Open the folder for the assignment.

3. Under **Submit Files** there are three options for submitting an assignment:

- a. **Add a File.**
- b. **Record Audio.**
- c. **Record Video.**
