

How to Access Google Classroom

1. Log into eClass
2. Click on G Suite for Education

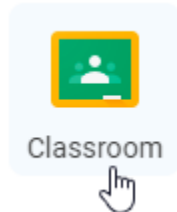

3. If this appears click the blue Continue Button if not continue to step 4

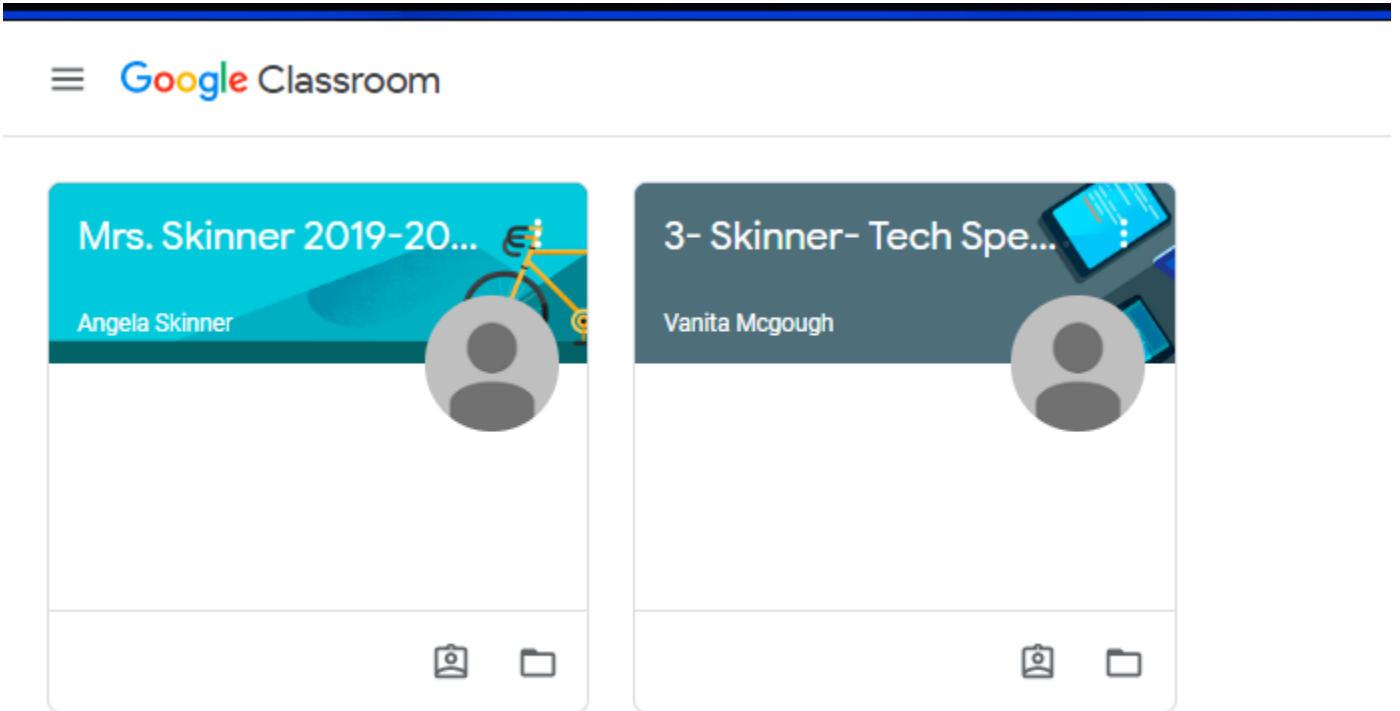

4. At the next screen click the Waffle:

5. Find Classroom and Click on it:

6. You will see a page appear that shows the classes that students are enrolled in:

7. Click on the class name of the class you want to open then click on Classwork at the top to find the assignments.
