

Dear Parents and Guardians,

I am thrilled to begin my journey at Louise Radloff Middle School. The school has a rich history of serving the community and fulfilling the dream of Mrs. Louise Radloff. Our goal is to provide students with **Readiness, Respect, and Responsibility** that extends beyond the classroom and becomes a part of everyday life. Louise Radloff Middle will continue to provide students with quality and engaging instruction to promote critical thinking and problem-solving skills.

I began my career in Gwinnett County as a Math Teacher at Richards Middle School, where I had the opportunity to work in various instructional and leadership roles. I worked as an Assistant Principal for six years at Sweetwater Middle School. This position has allowed me to serve this community and build lasting relationships with students and parents.

As principal, it is my mission to unite, motivate and service the staff, students, parents, and community partners. With a targeted focus on guiding and supporting our staff and students to reach their highest potential, in a safe and nurturing environment. I encourage all students to connect to the vision of the school by setting high academic goals, participate in extra-curricular activities, clubs, athletics, and stellar performing arts programs.

I look forward to having a long and rewarding relationship with you and your family. Feel free to stop in and introduce yourself. This is a great day to be part of the Louise Radloff Middle School Raider family. Together we can make a difference!

Building Partnerships at the Lighthouse,

Mrs. Chekquita Johnson
Principal
