Local school improvement connected to district’s strategic direction

Gwinnett County Public Schools’ accountability system for improving schools is called the Results-Based Evaluation System (RBES). RBES fairly and systematically measures a school’s progress, providing a process that clearly communicates expectations; reviews, monitors, and supports school performance; and evaluates that performance. With a waiver from federal requirements during the COVID-19 pandemic, the Georgia Department of Education did not administer state tests in the spring or produce related reports on school effectiveness. This abbreviated report reflects available graduation and achievement data from the 2019–20 school year. Using local data, school

administrators, teachers, and parent advisory groups developed this year’s Local School Plans for Improvement (LSPI) which outline our improvement goals and guide the work we will do throughout the 2020–21 school year to support student learning. These improvement plans are connected to the school district’s strategic direction and our core business of teaching and learning. Find our school’s LSPI on the website. The Duluth school council and school leaders collaborated on the highlights in this accountability report, which also serves as the school’s annual report. **Please review this report to learn more about our improvement efforts and progress.**

2019–20 Results: College-Admissions Tests

Students are encouraged to take one or both of the college-admissions tests that most colleges and universities require for admissions. The two tests— the SAT and the ACT— both assess college-readiness in language arts/reading and mathematics, with a science section on the ACT, and an optional essay component. SAT and ACT postponed and/or cancelled administrations or reduced sites due to COVID-19.

2019–20 ACT Averages

2019–20 Results: Advanced Placement (AP) Exams

Advanced Placement (AP) courses are challenging, college-level classes taught by specially trained high school teachers. Students have the option of taking an AP exam at the end of the school year. Many colleges award credit for passing the exams or allow a student to exempt certain courses. The table below shows the percentage of students who took an AP class at Duluth High, compared to the county average. The chart also shows the percentage of optional, course-specific AP exams taken, as well as the percentage of test-takers who scored 3 or better on a 5-point scale on one or more AP exams. In 2019–20, 9.0% of courses taken at Duluth HS were AP courses, compared to 9.4% at all GCPS high schools. Note that AP exams were administered differently in 2019–20 due to COVID-19.

AP Percentages	School Level	2017–18	2018–19	2019–20
% Students Who Took an AP Course	Duluth	28.5	27.7	28.1
	GCPS	32.1	31.1	31.4
% AP Exams Taken	Duluth	81.2	83.5	81.3
	GCPS	82.7	83.0	82.6
% Test-Takers Who Scored 3+	Duluth	71.7	63.6	62.4
	GCPS	66.7	68.3	67.4

Other 2019–20 Highlights...

- More than a quarter of the members of the Class of 2020 were Honor Graduates. The class included a National Merit Finalist, a QuestBridge National College Match Scholarship recipient, and a National Army ROTC Scholarship recipient.
- We had 84 Advanced Placement (AP) Scholars, including six Commended Scholars and four National AP Scholars.
- Duluth was acknowledged by the Georgia Department of Education as a 2020 AP Honor School in six categories—Access and Support, Schools of Distinction, AP STEM, AP STEM Achievement, AP Humanities, and AP Humanities Achievement, based on 2018–19 AP classes and exams.
- In 2020, Dr. Lemonds (Fine Arts) won the Lifetime Achievement Award from the American String Teachers Association.
- Duluth High students won several accolades in 2019–20, including six Georgia Scholars, two Young Georgia Author honorees, two Civic Engagement Diploma Seals (first recipients in GCPS), and six Governor’s Honors Finalists. Nineteen students earned their CPCT-A Nursing credentials and our NJROTC cadets won the Unit Achievement Award. Three FBLA students won 1st place in Graphic Design at the State Leadership Conference.

2019–20 Graduation Rate Information

The Graduation Rate is calculated using the number of students who begin 9th grade at the same time

Graduation Rate (2017 to 2020)

	2017	2018	2019	2020
Duluth	79%	81%	81%	85%
GCPS	81%	82%	81%	83%
State	81%	82%	82%	84%

and graduate within four years with a regular education diploma. Students who take longer than four years to complete high school are not considered on-time graduates for the purpose of graduation rates, but they are not considered dropouts either. Additional students in the cohort will go on to graduate with a full diploma in their 5th year. Data shows that large numbers of students moving in during high school who are behind can have a negative impact on a school’s graduation rate, just as having students move who can’t be accounted for affects the rate. A number of GCPS initiatives— Credit Recovery, Online Campus courses, 7th period classes at Phoenix High, and summer school— offer students more opportunities to get and stay on pace for on-time graduation. GCPS is working to ensure that all students graduate, even if some students need more time to do so, and that all students are college- and career-ready. As a result of COVID-19, the Class of 2020 was granted a one-time waiver of the Gateway assessment requirement.
