

Accountability Report

Issued 2020–21

Osborne Middle School

Kenney Wells, *Principal*

Jay Nebel, *Assistant Superintendent*

Local school improvement connected to district’s strategic direction

Gwinnett County Public Schools’ accountability system for improving schools is called the Results-Based Evaluation System (RBES). RBES fairly and systematically measures a school’s progress, providing a process that clearly communicates expectations; reviews, monitors, and supports school performance; and evaluates that performance. With a waiver from federal requirements during the COVID-19 pandemic, the Georgia Department of Education did not administer state tests in the spring or produce related reports on school effectiveness. This abbreviated report reflects available achievement data from the 2019–20 school year. Using local data, school

administrators, teachers, and parent advisory groups developed this year’s Local School Plans for Improvement (LSPI) which outline our improvement goals and guide the work we will do throughout the 2020–21 school year to support student learning. These improvement plans are connected to the school district’s strategic direction and our core business of teaching and learning. Find our school’s LSPI on the website. The Osborne school council and school leaders collaborated on the highlights in this accountability report, which also serves as the school’s annual report. **Please review this report to learn more about our improvement efforts and progress.**

About School Improvement

2019–20 PSAT 8/9 Results

2019–20 Student Engagement

2019–20 Highlights

2019–20 Results: Norm-referenced Assessments: PSAT 8/9

Gwinnett’s 8th graders have an early opportunity to set their course for college and careers with the PSAT 8/9, a test that helps determine what students need to work on most so that they are ready for college when they graduate from high school. The PSAT 8/9 is part of the College Board family of assessments that includes the SAT college-admission assessment and the PSAT/NMSQT, a preview of the SAT. The PSAT 8/9 tests the same skills and knowledge as the SAT and PSAT/NMSQT, but in a way that makes sense for 8th graders. The test focuses on the skills and knowledge at the heart of education— what students have been learning in school and what they’ll need to succeed in college— in the areas of mathematics and evidence-based reading and writing. The PSAT 8/9 establishes a baseline measurement of college and career readiness as students enter high school. It also gives students a chance to preview the SAT and the PSAT/NMSQT. (Gwinnett 10th graders take the PSAT/NMSQT.)

State	412	410
National	406	405

2019–20 Student Engagement

The Student Engagement Instrument (SEI) is a survey used to measure how engaged students are at school and with learning. When taking the SEI, students respond to items that cover a variety of topics related to their engagement in their education, including the level of support they receive from teachers, peers, and family, as well as their perceptions of school work and future educational goals. We measure student engagement at GCPS because it is related to important outcomes such as on-time graduation and postsecondary success. The bar graph below shows the average SEI Composite Score— a summary of a student’s responses across all items on the SEI— for Osborne Middle School compared with an average of results for all GCPS middle schools. The Composite Score can range from 1.0 to 5.0, with higher scores reflecting stronger student engagement. This chart shows that the average Student Engagement Instrument Composite Score for Osborne MS in 2019–20 was 4.19, compared to the GCPS middle school average of 3.97.

Osborne Middle School

Other 2019–20 Highlights...

- Osborne’s Hero Club held monthly student events after school, fostering high levels of collaboration and team-building among the various programs served in all grade levels.
- Osborne’s 7th grade Advanced Theater students performed six shows during their annual Dessert Theater. The 8th grade Advanced Theater students held two performances.
- Seven band students represented Osborne in the Georgia Music Educators Association (GMEA) District 13 Honor Band, and two students performed with the All-State Band.
- Osborne’s 7th and 8th grade Choruses earned all Superior ratings in performance and sight reading at their annual GMEA Large Group Performance Evaluation (LGPE). Students in each grade level performed a live concert in the fall and winter seasons. Our 7th and 8th graders performed a pre-LGPE concert in March. A select group of individuals collaborated for a virtual Chorus concert video in May of 2020.
- Osborne’s 7th grade Orchestra and 8th grade Orchestra earned all Superior ratings at the GMEA LGPE. A total of 38 OMS students participated in Honor Orchestra and four students were selected for GMEA Middle School All-State Orchestra. Our 8th Grade Orchestra performed at Kennesaw State University’s orchestra invitational. Selected by audition, 11 students participated in the Kendall Orchestra and one student participated in the Gwinnett County Honor Orchestra.
- Osborne Middle School was recognized by the Governor’s Office of Student Achievement as a “B” school (on an A-F scale), based on 2019–20 school performance, including state test scores, student growth on these tests, and other factors.

2019–20 Staff Data

Student Data (2017–18 to 2019–20)

	School Year		
	17–18	18–19	19–20

Average Attendance***	97%	97%	97%

*Not Hispanic or Latino

**Since 2017–18, the category for English Learners has reflected both students who qualify for services and those being monitored.

***Based on in-school attendance through March 12, 2020. Students participated in online learning from March 16 to May 20.

School Safety Perceptions

Based on responses from those with an opinion who responded to the 2019–20 RBES Perception Survey...

- 91.2% of students agreed or strongly agreed that they felt safe at Osborne Middle.
- 97.2% of parents agreed or strongly agreed that their child’s school was safe.

The mission of Gwinnett County Public Schools is to pursue excellence in academic knowledge, skills, and behavior for each student, resulting in measured improvement against local, national, and world-class standards.
