

Accountability Report

Issued 2020–21

Snellville Middle School

Katise Taylor, *Principal*

Peggy Goodman, *Assistant Superintendent*

Local school improvement connected to district’s strategic direction

Gwinnett County Public Schools’ accountability system for improving schools is called the Results-Based Evaluation System (RBES). RBES fairly and systematically measures a school’s progress, providing a process that clearly communicates expectations; reviews, monitors, and supports school performance; and evaluates that performance. With a waiver from federal requirements during the COVID-19 pandemic, the Georgia Department of Education did not administer state tests in the spring or produce related reports on school effectiveness. This abbreviated report reflects available achievement data from the 2019–20 school year. Using local data, school

administrators, teachers, and parent advisory groups developed this year’s Local School Plans for Improvement (LSPI) which outline our improvement goals and guide the work we will do throughout the 2020–21 school year to support student learning. These improvement plans are connected to the school district’s strategic direction and our core business of teaching and learning. Find our school’s LSPI on the website. The Snellville school council and school leaders collaborated on the highlights in this accountability report, which also serves as the school’s annual report. **Please review this report to learn more about our improvement efforts and progress.**

About School Improvement

2019–20 PSAT 8/9 Results

2019–20 Student Engagement

2019–20 Highlights

2019–20 Results: Norm-referenced Assessments: PSAT 8/9

Gwinnett’s 8th graders have an early opportunity to set their course for college and careers with the PSAT 8/9, a test that helps determine what students need to work on most so that they are ready for college when they graduate from high school. The PSAT 8/9 is part of the College Board family of assessments that includes the SAT college-admission assessment and the PSAT/NMSQT, a preview of the SAT. The PSAT 8/9 tests the same skills and knowledge as the SAT and PSAT/NMSQT, but in a way that makes sense for 8th graders. The test focuses on the skills and knowledge at the heart of education— what students have been learning in school and what they’ll need to succeed in college— in the areas of mathematics and evidence-based reading and writing. The PSAT 8/9 establishes a baseline measurement of college and career readiness as students enter high school. It also gives students a chance to preview the SAT and the PSAT/NMSQT. (Gwinnett 10th graders take the PSAT/NMSQT.)

National	406	405

2019–20 Student Engagement

The Student Engagement Instrument (SEI) is a survey used to measure how engaged students are at school and with learning. When taking the SEI, students respond to items that cover a variety of topics related to their engagement in their education, including the level of support they receive from teachers, peers, and family, as well as their perceptions of school work and future educational goals. We measure student engagement at GCPS because it is related to important outcomes such as on-time graduation and postsecondary success. The bar graph below shows the average SEI Composite Score— a summary of a student’s responses across all items on the SEI— for Snellville Middle School compared with an average of results for all GCPS middle schools. The Composite Score can range from 1.0 to 5.0, with higher scores reflecting stronger student engagement. This chart shows that the average Student Engagement Instrument Composite Score for Snellville MS in 2019–20 was 3.82, compared to the GCPS middle school average of 3.97.

Snellville Middle School

Other 2019–20 Highlights...

- Snellville Middle School was recognized by the Georgia Department of Education with Operational status for implementation of Positive Behavioral Interventions and Supports (PBIS) during the 2019–20 school year. PBIS encourages positive behaviors with recognition for those students who exhibited appropriate school conduct.
- Snellville Middle students competed in the FIRST LEGO League Shiloh Invitational Tournament. The team won the Core Values Award and was invited to compete at the Gwinnett FIRST LEGO League Super Regional Tournament.
- Snellville Middle School's Drones for Good team prepared for spring drone competition at Grady High School. While the competition last spring was cancelled due to the pandemic, this was a good learning experience for our students.
- Snellville Middle hosted an academic showcase with our Literacy Night, featuring students' accomplishments through poetry, games, and debate.
- Our Boys Basketball team earned its first playoff appearance in post-season competition, advancing two rounds in the playoffs.
- Nearly 200 cadets participated in Snellville Middle School's Junior Leadership Corps (JLC) program, which focuses on student leadership and service to others.
- Our community partners—Snellville Church of Christ and Snellville United Methodist Church—supported our school during a difficult time, supplying teachers and students with school supplies throughout the year.

2019–20 Staff Data

Student Data (2017–18 to 2019–20)

	School Year		
	17–18	18–19	19–20
Enrollment	904	940	963
+American Indian/Alaskan Native*	0%	0%	0%
+Asian*	2%	2%	2%
+Black/African American*	70%	72%	71%
+Hispanic or Latino, <i>any race</i>	16%	16%	17%
+Multiracial, <i>two or more races</i> *	5%	4%	3%
+Native Hawaiian/Pacific Islander*	0%	0%	0%

Average Attendance***	97%	97%	97%

*Not Hispanic or Latino

**Since 2017–18, the category for English Learners has reflected both students who qualify for services and those being monitored.

***Based on in-school attendance through March 12, 2020. Students participated in online learning from March 16 to May 20.

School Safety Perceptions

Based on responses from those with an opinion who responded to the 2019–20 RBES Perception Survey...

- 57.7% of students agreed or strongly agreed that they felt safe at Snellville Middle.
- 93.8% of parents agreed or strongly agreed that their child's school was safe.

The mission of Gwinnett County Public Schools is to pursue excellence in academic knowledge, skills, and behavior for each student, resulting in measured improvement against local, national, and world-class standards.
