

2021 - 2022

Local School Plan for Improvement

Freeman's Mill Elementary School

Angela Pacholke, *Principal*

Clifton Alexander, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

90% of all students in grades 3-5 will perform in the Proficient/Distinguished range on the Math and Language Arts GMAS subtests. 80% of all grade 5 students will perform in the Proficient/Distinguished range on the Science GMAS subtest. A minimum of 40% percent of students will perform in the Distinguished range by 2023-24.

- o **Annual Goal**

80% or higher of students in Kindergarten, 1st and 2nd grade will score in the Proficient/Distinguished range on the EOY ELA district assessment. 70% or higher of students in 3rd, 4th and 5th grade will perform in the Proficient/Distinguished range on the Language Arts section of the Georgia Milestones Assessment.

- o **Annual Goal**

80% or higher of students in Kindergarten, 1st and 2nd grade will score in the Proficient/Distinguished range on the EOY Math district assessment. 80% or higher of students in 3rd and 4th grade will perform in the Proficient/Distinguished range on the Math section of the Georgia Milestones Assessment. 70% or higher of students in 5th grade will perform in the Proficient/Distinguished range on the Math section of the Georgia Milestones Assessment.

- o **Annual Goal**

60% or higher of students in 3rd and 4th grade will score in the Proficient/Distinguished range on the EOY Science district assessment. 70% or higher of students in 5th grade will perform in the Proficient/Distinguished range on the Science sections of the Georgia Milestones Assessment.

- o **Annual Goal**

50% or higher of students in 3rd, 4th and 5th grade will score in the Proficient/Distinguished range on the EOY Social Studies district assessment.
