

Have you completed your 2020-21 Free- and Reduced-Price Meal Application?

***A reminder from Café Gwinnett:** The Free- and Reduced-Priced Meal Application must be filled out each school year. (Even if you completed an application this summer (prior to July 17, 2020), a new application must be submitted for this school year.)*

Currently, as a part of the Seamless Summer Option, lunch meals are available at no charge to anyone 18 years or younger. **Please note:** This program is in place only through first semester. In order to ensure that your child's meal benefits continue after the end date of this program, families must complete the annual Free and Reduced Meal Application.

The online application for 2020-21 is available at <http://gwinnett.schoolunchapp.com>. **The deadline is September 25, 2020.** Please do not delay; complete the application today.

Thank you for your prompt attention to this matter.
