Learning
Days

Hey Shiloh Scholars! What a different kind of week we've had. We hope you all have been actively engaged in the lessons that your teachers have provided. It is strange not being able to see your smiling faces each day. With that in mind, let's take this opportunity to greet one another with a Generals Salute! Record yourself saying, "My name is (insert your name) and I'm in (insert your grade)" then give a Generals Salute. Let's see which grade does it best.
