

Summer School Registration for Health and PE

Shiloh High School Summer School Health and Physical Education are being offered virtually through Shiloh Community School. Classes are virtual and **will begin June 1 and end on June 25th**. Classes will not meet on Friday June 11 or Friday June 18. **Physical Fitness will be from 7am till 11am and Health class will meet from 11:30am till 3:30 pm**. Successful completion of each class will give you the credit you need for graduation. This will give students the opportunity to take another class of interest during the school year. These courses are recommended for students in band, orchestra, athletics, or theater. Any other rising 9th grader who has another interest they would like to pursue in the 9th grade might consider the summer option for Health and PE. This is also recommended for any rising 10th through 12th grade students still in need of Health or PE credit. The cost is \$250 for Health and \$250 for PE. With the successful completion of each course, you earn the .5 credit needed for each course for graduation.

Instructor Reginald Ingram

reginald.ingram@gcpsk12.org

Enrolling Student: _____

Current Grade Level: _____

Enroll Student in	Health:	Yes or No	Cost \$250
	Physical Fitness:	Yes or No	Cost \$250

Please go to the Shiloh Web site <https://www.gcpsk12.org/ShilohHS>

Scroll down and select My Payments Plus

Select Events and then Community School- Shiloh

Select Class(es) and register

After you register on my payments plus, please save this form and email to:

cecelia.landress@gcpsk12.org so we can create rosters for Coach Ingram to send information for you and your student before the class starts.
