### Walker Expectations:

All families are expected to adhere to the following guidelines when allowing your child to walk to and from school. Students will receive a walker tag to put on their bookbag for identification. If they lose the tag, please have them see the grade level clerk.

In an effort to keep students safe, all students must remain on the sidewalks while on Cruse Road. Students will enter the building at the designated grade level doors when arriving after 8:50. Students should not be playing around in the bus lanes or while walking down the street. All students are encouraged to practice social distancing while walking to school or home.

#### Morning Procedure:

- As a courtesy, students may arrive at school prior to 8:50 a.m. They will be directed to a silent study hall in the old gym rather than waiting outside. Students may not arrive prior to 7:30 a.m.
- Only the front office door will be open for student entry if arriving early.
- **All walkers should arrive to school before 9:15.**

#### Afternoon Procedure:

- Students will be dismissed starting at 4:05 p.m. to begin walking home.
- All students must exit the building and walk to the designated crossing area where school staff members are posted.
- Staff will assist with the traffic flow. Please make sure your child follow the directions of the staff to ensure student safety.

**I, as parent/guardian, of the student(s) listed on this form have read and understand the walker expectations noted above and will follow the expectations to ensure my child and other students and staff are safe during arrival and dismissal on campus.**
