

Dacula Middle School

Device Checkout Agreement

Devices should be maintained by the student while checked out. Any issues with the device should be reported to the school immediately. Fines will be charged (see table below) if a device is not returned, lost, damaged, or returned dirty/not in working condition.

All devices checked out to students are in working order and include a power adapter. If anything in the device is missing or not working correctly (such as a camera module or keys) it will be noted in the system at the time of checkout. Any other damage will be responsibility of the parent/guardian.

Fine Amounts as of September 2021

*Fines subject to change based on current vendor pricing
