

AKS at Home Presentation

On 10/20 Megan Roedl from the Federal Programs office will be hosting an information session regarding our AKS at Home initiative. As part of Gwinnett County Public Schools' family engagement initiative, the school district seeks to empower parents with tools that allow them to help their children at home. Our AKS at Home project provides math and language arts resources to support families so that they truly are partners in their children's learning.

When: 10/20 1:00 pm

Where: Zoom link will be added to calendar closer to event.
