Why is GCPS Transitioning to the SAT School Day?

College Reportable Scores

SAT scores may be used by students to fulfill some college entrance requirements.

Providing an SAT School Day to all GCPS 11th graders increases opportunity for our students as they plan for life after high school. The scores remain valid for five years for college admissions.

Frequently Asked Questions

Q: What portions of the SAT will be included on this administration?

A: This administration will include two tests: the Extended Reading and Writing Test and the Math Test.

Q: When is the SAT School Day?

A: Wednesday, March 22, 2023

Q: Who can I contact if I have additional questions?

A: The best contact for students and parents is your local school counselor. If you have questions for the district office, you can call 770-301-7025.

Free Personalized Practice

Khan Academy offers free practice with skills assessed on the SAT, along with personalized practice recommendations for areas of additional support.

Scholarship Opportunities

SAT participation connects students to scholarship opportunities. Learn more through [College Board's Opportunity Scholarship program](#).
