Virtual Student Orientation

Welcome to Twin Rivers Middle School! We are looking forward to our virtual student orientation for 5th grade students from our feeder elementary schools. Students will enjoy the following experiences during their virtual experience shared in 5th grade classrooms at the elementary school:

- Meet your new principal, Mrs. Linda Boyd
- Meet your new assistant principal, Mrs. Laura Decker
- Meet your new counselor, Ms. Joel Reid
- Learn about a typical 6th grade day
- Listen to advice from 6th grade students
- Meet peer leaders and learn about extracurricular activities
- Learn about the Fine Arts program
- Learn why it’s GREAT to be a TWIN RIVERS BEAR!

Parent Night

Parents of rising 6th graders will be sent a link to experience a virtual informational meeting on **Thursday, February 25th** following the Virtual Student Orientation shown in 5th Grade Classrooms. We know the transition from elementary school to middle school is exciting yet it can also generate anxiety. We hope to ease your concerns and provide important information. The virtual experience will provide general information, a tour of the main areas in the school, and will share more about fine arts classes. In addition, parents will receive a Fine Arts Google Doc to indicate student interest in one of our fine arts programs.
