

February 22, 2019

Dear Parents,

We are beginning the process of preparing class lists for the 2019-20 school year. The form with this letter gives you an opportunity to discuss your child's academic, social, and emotional strengths and needs.

We make a determined effort to make sure that classes are fairly balanced based on academic progress, special program needs, boy/girl ratio, and several other factors. Because of the many variables involved, we cannot honor requests for specific teachers. We seek information from parents, teachers, and administrators before class placements are made. As a result, we will not make class changes after school begins.

Please return this form to the Level Creek front office on/or before March 8th.

Thank you for the opportunity to make a positive difference in the life of your child! We look forward to a great year in 2019-20!

Sincerely,

Daniel Skelton
Principal
