

North Gwinnett Middle School
Rising 6th Grade Fine Arts Registration Form 2020-21

We look forward meeting you when you tour NGMS! You are invited to join one of our awesome music programs that you will learn about during your visit. **Please return this form to your homeroom teacher by Wednesday, April 15, 2020, in order to register for a music class(es) in sixth grade.** Each student is assigned two connections classes that meet **during the school day**, and music programs are the only connections classes that you may choose. These classes continue to progress at each grade level; therefore, 6th grade is the only year you have the opportunity to join. (Please note that although every opportunity will be made to honor schedule requests, some classes may have more limited spacing and instrumentation than others).

Frequently Asked Questions:

- **Do I have to sign up now, or can I wait until school starts?** You need to sign up in the spring (forms turned in by 4/15).
- **Do I have to buy an instrument or does the school provide one?** This depends on the instrument and the program, and all information will be given to you as needed. There is no need to go get an instrument now; please wait until instructions are given by the teacher(s).
- **Can I join more than one music program?** Yes! You may sign up for one or two music classes. (Please note due to limited spacing and instrumentation, you may not get both choices, although every attempt will be made to do so)
- **When can I try out instruments to choose the one I want?** We have two selection nights scheduled at NGMS: 4/7 from 5:00-7:00 or 4/8 from 5:00-7:00 PM. Come in the front entrance and follow signs to the music classrooms!

If you have further questions, please feel free to contact the appropriate music teacher(s) and we will be happy to assist you with any questions you may have!
