Greetings Mustangs!

On August 4, GCPS announced a plan to begin in-person instruction for students whose parents selected this learning environment for their child. The plan calls for bringing in a limited number of grade levels at first and then adding more grades on a staggered basis. **On Wednesday, September 9, students in 4th, 5th, 8th, 11th and 12th grade will begin in-person instruction.**

As you had indicated you wanted your child to attend school in-person, we wanted to remind you of the schedule and share additional information with you to make this transition as easy as possible. A reminder that our schools have extensive protective measures in place to sanitize our facilities, maintain social distance to the fullest extent possible, and make the return to school as safe as possible for children and adults. You will find this and other information on our school website and on the [district website](#). However, it will take all of us doing our part to help us achieve a positive, safe start to in-person instruction for Gwinnett's children. As students return, we will be reminding them that everyone has a part to play and that we all need to be safe, be smart, and be responsible. [Please review this video with your child on healthy practices to keep everyone safe.](#)

Thank you for your continued support of our students, teachers, and schools. As a school community, we look forward to the return of our students.
