Dear Mountain View Parents and Community Members,

I am excited to assume my new role as the next principal of Mountain View High School. I am honored and humbled to have this opportunity to follow in the footsteps of Mr. Keith Chaney, a great leader and personal friend, who built a foundation of excellence at Mountain View. While I may be a new face for some families, some of you may know me as the principal of Patrick Elementary School. I am excited to return to the Mountain View Cluster, and I want you to know that I am committed to our students, staff, parents, and community. I pledge my full support, hard work, and dedication to continuing the tradition of excellence at Mountain View High School.

I had the privilege of attending Gwinnett County Public Schools through twelfth grade. During the past 27 years, I have served as a teacher, assistant principal, and principal in Gwinnett County Public Schools. I love children, and I care about the success of each and every student who walks through the doors of Mountain View High School. I want our students to have a great, well-rounded experience.

I look forward to making the full-time transition to Mountain View in the coming weeks. I am excited to meet you and I am ready to begin working together to ensure that every student is prepared for the future.

Go Bears!

Sincerely,

***Stephanie Stewart***
