How can Gwinnett Online Campus help students?

Do you want to learn in a flexible environment from an experienced online school?

Gwinnett Online Campus is a full-time option for all GCPS students in grades 4-12.

You can...

- take all of your courses online
- earn a regular GCPS high school diploma
- have anytime, anywhere access to courses
- enroll during the month of February for the following school year

Would you like to take a class that your school does not offer within your school day? Perhaps you want to take extra classes to catch up or get ahead?

GCPS students can take up to five online classes through GOC.

You can....

- take 1-5 online courses as part of your regular school day for free
- take classes in addition to your school day for a fee of \$250 per 0.5 credit
- enroll in courses not currently offered at your school such as off-semester and block courses

Do you have 18 or more earned credits towards graduation? Are you considering dropping out of school?

The Graduate Gwinnett program offers flexibility for students to focus on coursework completion for graduation.

You can...

- reach your goal of earning a diploma
- focus on one course at a time in a 20 day period
- receive one-on-one support from teachers and counselors
