

Robotics Club Application

2nd and 3rd Grade

Wednesday, September 6, 2023

Ivy Creek will be offering an opportunity for **a small group of 2nd and 3rd graders (limited to 12 students)** to learn basic concepts of robotic systems and human-robot interaction to perform specific goals.

The purpose of the club is to stimulate student interest and involvement in robotics. This will be accomplished by providing an opportunity for students to plan, design, code (program), and test robots to perform specific tasks. This club is designed to allow students to explore the basics of robotics in a non-competitive environment.

Our first day of the club will start on Wednesday, October 11th at 7:10AM

- Robotics Jr. Club will be meeting on Wednesday mornings. Specific meeting dates will be provided to the parents of children chosen for Robotics Jr. Club.

Time: 7:10AM-7:45AM

Location: Mrs. Hardy's Classroom (room 1.222)

Due to the nature of this club, **we are limited to a small group of students.**

Parents will be responsible for providing reliable transportation so that the students can be productive. **All students must be dropped off in the FRONT OF THE SCHOOL AT 7:10AM.** Doors will open at 7:10AM (front of the school). Any child who cannot attend regularly may lose their opportunity to participate.

General Release

On this day as a parent of my child in Gwinnett County Schools understand that I must drop off my child promptly at 7:15 AM at the designated area on all club days. I also understand that acceptable conduct is expected. I realize that failure to comply with club expectations may result in my child's dismissal from the club at any time. In case of severe weather, check the news for school closing. Clubs will not meet if school is closed.

* If your child is interested in Robotics Club, please fill out the following information by or before Friday, September 22. **WE will let your child know the first week of October whether or not they have been selected for the club.**

Child's name _____ Parent's Name _____

Teacher _____ Parent e-mail _____

Emergency Contact _____ Cell Phone Number: _____

I have read and understand the requirements of the Robotics Club.

_____ (parent signature) _____ (student signature)

**All forms must be given to Ms.Miranda /Mrs. Hardy by Friday, September 22nd.*
