

Mill Creek Cluster Math Sequence

Students in the 8th grade math course.

Students in the **Algebra 1 Course**. If a Student ACCEPTS Carnegie credit they MUST register for Geometry. A student can choose to not receive the credit and register for Geometry or Algebra I. **Note:** Students who plan to take AP Calculus in 12th grade should register for Accelerated Pre-Cal in 11th grade.

Students in the **Accelerated Algebra 1 Course**. If a student ACCEPTS Carnegie credit they MUST register for Accelerated Geometry or Geometry. A student can choose to not accept the credit and register for Algebra 1, Geometry or Accelerated Geometry. **Note:** Students who plan to take AP Calculus should register for Accelerated Pre-Calculus the year before.
