WHAT IS A FAMILY AND COMMUNITY ENGAGEMENT PLAN?

It is a plan that describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members.

WHAT IS A SCHOOL-FAMILY PROMISE?

It is a written agreement that outlines how the school, the students, and the family will work together to ensure your child's academic success. An effective School-Family Promise contains the following elements:

- Clear learning goals that are linked to the school's improvement plan
- Specific skills students will learn during the year
- Strategies that staff, families, and students will use to improve student learning
- Ways to extend learning at home
- Methods teachers and family members will use to communicate about student progress
- Opportunities for family members to observe and participate in the classroom
- Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our Planning Meeting
- Reviewed and revised throughout the year during the Title I Planning Meeting and Parent-Teacher Conferences.

LET'S TALK

- ❖ **Communication:** We will communicate, to the extent feasible, all information with you in a language and format you understand. Whenever possible, we will provide interpreters during parent workshops, and academic events. Translation is available for most documents.
- ❖ **Transition Support:** Entering a new school can be scary for both students and families. We will host events to make sure both you and your child are aware of what is expected and how you can prepare as your child transitions to a new school level, college, and career.
