

## SUMMER READING PROGRAM INFORMATION

There are several fun Summer Reading Programs available to you and your children this summer. At Fort Daniel, we encourage your child(ren) to use this time to enjoy reading. Students may read books, magazines, newspapers, comics or listen to audio books. Families are encouraged to read aloud together!

All students who participate in one of the summer reading activities this year are eligible to attend the Summer Reading Celebration in August, and can earn tickets to the Grand Prize Drawing.

1. Complete the [Gwinnett County Public Library summer reading program](#). (The public library will give us a list of names of all who completed the program or you can send in a hard copy of the reading log.)
2. Complete the [Fort Daniel Summer Reading Bingo Card](#) and turn it in by August 18..

**Digital Resources:** Check out the [Summer Reading Digital Resources](#) for ways to complete the summer reading program digitally. You'll find tutorials on how to use the Beanstack program through the public library as well as some fantastic online resources for eBooks.

View the following links for some book suggestions for your grade level. This is not required reading, but it might make your trip to the library a little easier this summer!
