

**STUDENT/PARENT CONTRACT  
DRIVER'S EDUCATION**

**PLEASE READ AND SIGN WITH STUDENT**

As we continue to move forward with our Driver's Education Program, we would like to thank you for your cooperation with the safety processes that we have put in place as our community continues to see transmission of COVID-19. The success of our program also depends on you and your student following the recommendations of the Department of Public Health and the CDC. We plan to follow these guidelines before, during, and after your child's driving experience. Please take a moment to read the recommendations and sign along with your child before the drive begins.

**STAY HOME WHEN ILL OR IF YOU HAVE BEEN IN CONTACT WITH SOMEONE WHO HAS OR MIGHT HAVE COVID-19** In order to stop the transmission of COVID-19 in our community, students who are ill, even with mild symptoms, should not participate in the driving experience and should reschedule when symptom free.

**WEAR A MASK OR FACE COVERING** Many studies are showing that masks are very effective in preventing the spread of COVID-19. COVID-19 spreads through the respiratory droplets of someone who is infected. Both student and driver will be required to wear a mask during the driving experience.

**WASH YOUR HANDS FREQUENTLY** One of the best tools that we have to prevent all bacterial and viral infections is to wash our hands frequently for 20 seconds with soap and water. Ensure the student has washed hands or used hand sanitizer prior to entering the car.

**CAR TOUCH POINTS** The instructor will clean the GCPS cars touch points (including but not limited to keys, steering wheel, shift lever, console, door handles, and seat) before and after each driving session.

**STUDENT AND DRIVER** We make every effort to always have more than one student in the car with the driving instructor. Our instructors are extremely moral and trustworthy professionals. Due to the pandemic, one student and driver will be assigned to the vehicle on this occasion. Your acknowledgement gives permission to proceed with the driving experience.

**We have read and we aware and agree to the expectations of the driving experience.**
