

Summer Options June 2021

- Dates: June 7 – June 30
- Registration closes May 30
- Students will register through MyPayments Plus
- Offered to current 9th – 12th graders
- Rising 9th graders can take Health and PE on a tuition basis
- Students may take up to 2 summer school and/or credit recovery courses (0.5 credit each)
 - For example: a student may take 2 summer school courses, 2 credit recovery courses, or one of each
 - Students may pay to take additional courses with approval from the local school counselor
- Gwinnett County Public Schools will pay for up to two summer school classes for high school students needing to retake a class they previously failed. The district is offering this option to students at no cost to address COVID-related learning gaps and to provide students with an additional opportunity to earn credit for courses failed this year
- Local school counselors will approve all courses through MPP
 - GCPS Funded
 - Cost: No charge
 - This option is available to students who previously failed a course. Courses can be taken through our regular summer school offerings or GOC credit recovery
 - Tuition Based
 - Cost: \$250 per 0.5 credit course
 - GOC will offer our regular [summer course offerings](#)
 - This is open to all students who want to get ahead or take more than 2 classes
 - Counselors will complete a course overload form for students taking more than 2 classes
 - Rising 9th graders are eligible to take Health and PE can register on a tuition basis
