Welcome to Meadowcreek Elementary School!

At Meadowcreek Elementary, we envision a school dedicated to academic excellence that provides a safe, secure, positive environment where learning is child-centered, diversity is celebrated, and teamwork, professional growth and community involvement are encouraged. Our staff is committed to the success of all students and we work together to ensure each child has a positive experience every day.

We value family and the importance of the connection between home and school.

We want to partner with you in your child's education. We welcome you into our school and desire for you to be a part of our family here at Meadowcreek.

We also value the growth and development of our staff and students. We are passionate about learning and we maximize our time together during the school day.

We recognize the importance of students being at school consistently and we encourage daily attendance for all of our students.

Our community is so vital to our success. We are committed to connecting with each family and business partner in a manner that impacts our community and makes a difference for our students. Please join us in the education of our students and support us as we continue to build a school we can all be proud to call home.

Again, I want to welcome you to Meadowcreek where we are a family of learners growing together to make a difference.
