

Accessing the Gwinnett Public Library OverDrive eBooks and Audiobooks

Using a Computer Browser to Access Sora, by OverDrive

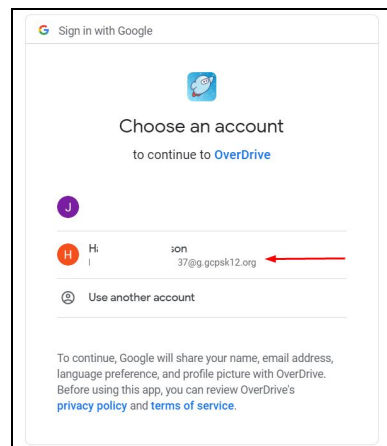

Step 1: Log into **My eCLASS**. Click on **G Suite for Education**. Verify that the student Gmail account is correct.

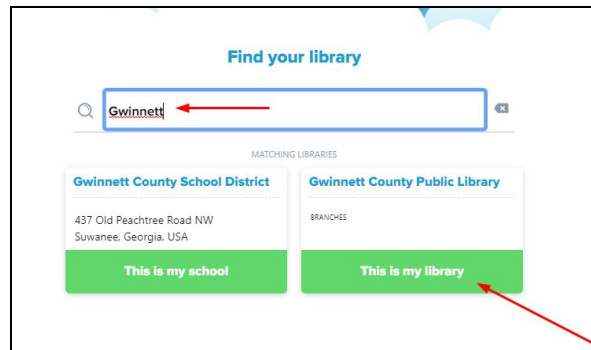

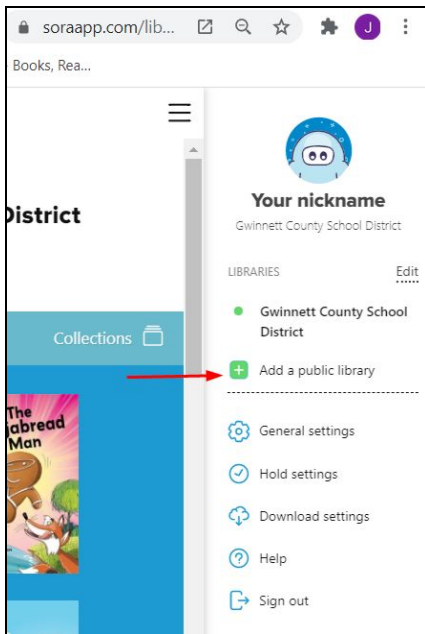

Step 2: Click on the “waffle” menu next to the GCPS torch icon in the top right hand corner of the screen. Scroll down the menu to the **Sora, by OverDrive** icon.

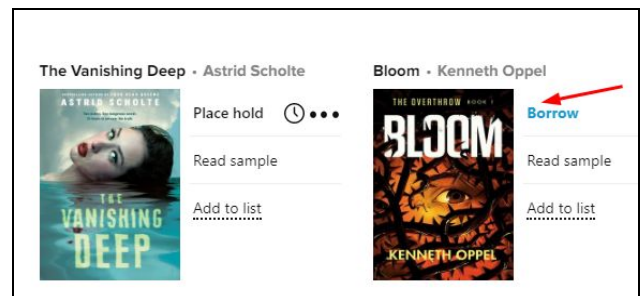

Step 3: Click on the green button: *Sign in using Gwinnett County School District*. Then, select the student Gmail account to continue to OverDrive.

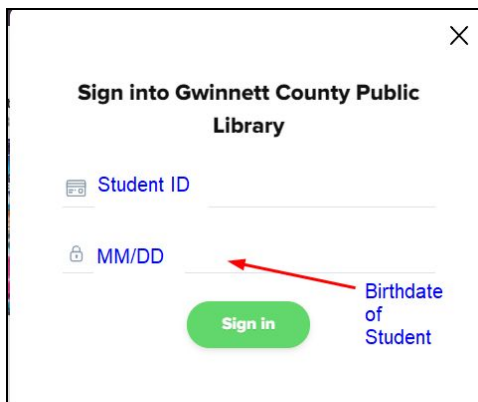

Step 4: Click the “hamburger” menu with the three horizontal lines in the top right corner. In the drop down menu, click **Add a public library**. Start typing Gwinnett and look for Gwinnett County Public Library. Click **This is my library**.

Step 5: Search for a specific book, browse through a collection, or scroll through the ribbon of ebooks on the screen. If a book is available, **Borrow** will be listed next to the thumbnail of the book cover. If the book is unavailable, it will list **Place hold** next to the book’s cover.

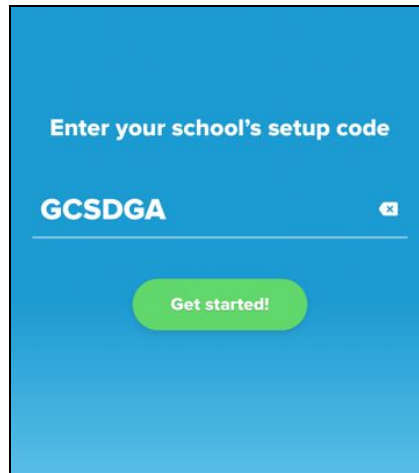

Step 6: When you click **Borrow** or **Place Hold**, you will be prompted to login. Use the student ID for the username and the birthdate (MM/DD) for the password. On the next screen, you may click **Open book** to begin reading.

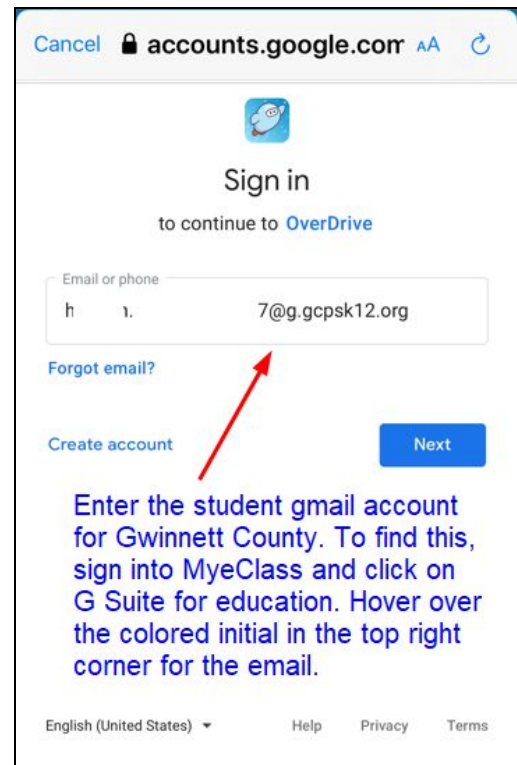

Accessing the Sora App by OverDrive on a Mobile Device

Step 1: Download the app from the App Store or Google Play called **Sora, by OverDrive** to your mobile device.

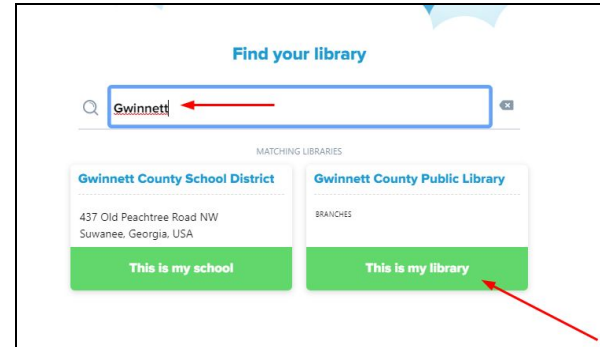

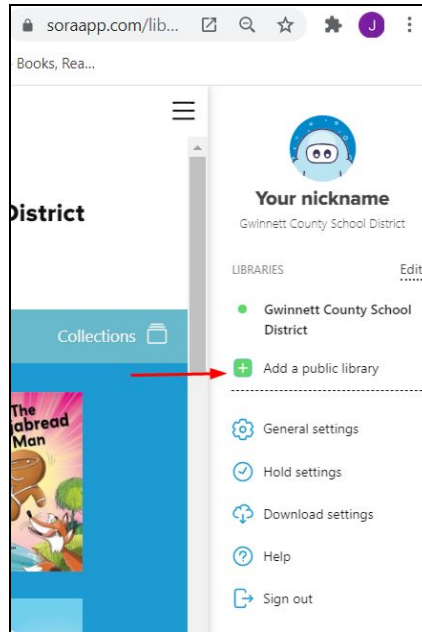

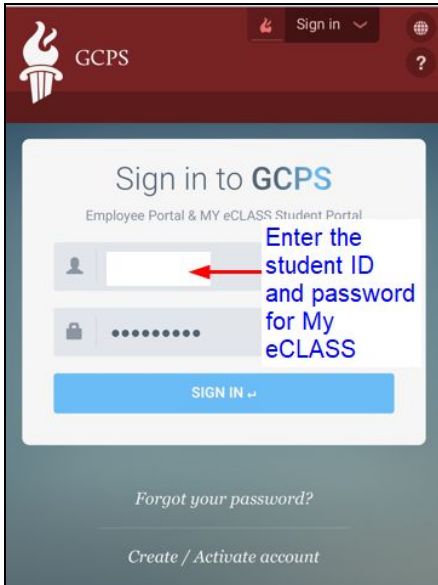

Step 2: Select **I have a setup code**. Enter the code for Gwinnett Schools: **GCSDGA**

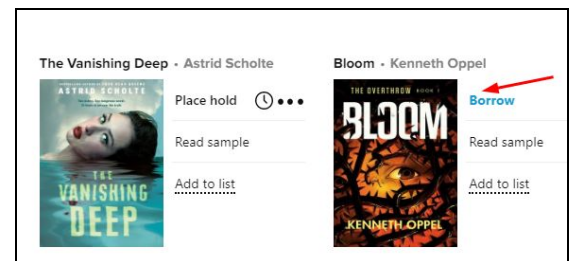

Step 3: Click on the green button *Sign in using Gwinnett County School District*. Then, choose or type in the student Gmail account to continue to OverDrive.

Step 4: Sign into the My eCLASS login page if prompted. Then, click the “hamburger” menu with the three horizontal lines in the top right corner. Click **Add a public library** in the drop down menu. Start typing Gwinnett. Click on **This is my library** listed underneath the **Gwinnett County Public Library**.

Step 5: Search for a specific book, browse through a collection, or scroll through the ribbon of ebooks on the screen. If a book is available it will say “**Borrow**” next to the thumbnail of the book cover. If the book is unavailable, it will list “**Place hold**” next to the book.

Step 6: When you click **Borrow** or **Place Hold** next to a book, you will be prompted to login. Use the student ID for the username and the birthdate (MM/DD) for the password. On the next screen you may click on **Open book** to begin reading.
