

Dear Britt Families,

Please join us in collaborating with the city of Snellville to Give Hunger the Boot! See the message below from Snellville City council member, Dave Emanuel:

“Have A Heart, Help A Neighbor” is the theme of Give Hunger the Boot’s 2019 winter campaign to raise donations for the Southeast Gwinnett Food Co-Op. In spite of the generosity displayed during the holiday season, January and February are the most trying months for the Co-Op, as demand remains strong, but supplies dwindle. Unfortunately, for many families, the need for assistance exists 24/7/365.”

Britt will collect cans and other non-perishable food items through **Friday, February 14, 2019**. The class who collects the most NON-PERISHABLE food items will receive a pizza party, sponsored by *Give Hunger the Boot!*

Thank you so much for your continued generosity in helping those in our community!

Monica Mance
Britt Counselor
