Research shows that kids who participate in library Summer Reading Programs read more regularly and maintain or improve reading skills, which means they are ready to learn in August.

Reading for pleasure in the summer is a great way to explore new worlds and interests. This summer track your reading and complete fun challenges to earn digital badges and fun prizes including free tickets to the Gwinnett Stripers and the Aurora Theatre as well as a Texas Roadhouse Kid's Meal. You can also earn chances to win either a personal storytime or a telescope.

Sign up at gwinnettpl.beanstack.org

Log Your Reading & Earn Prizes

When you read and log your minutes, or complete fun activities on the Beanstack Summer Reading Program, you earn points. For every 100 points you earn, you win cool prizes! When you sign up for the program you also receive a free membership to the Hudgens Center for Art & Learning.

**Kids age birth-5** can earn a free book, a free ticket to the Aurora Theatre Children's Playhouse, a beachball, a stuffed toy, and a chance to win a personal storytime.

**Kids from Kindergarten to 5th Grade** can earn a free kids meal from Texas Roadhouse, a free book, a ticket to a Gwinnett Stripers game, a free game at Stars and Strikes, and a chance to win a telescope or a $250 Dave & Buster’s game card.

Prizes are available while supplies last. Large groups, including camps or classes, cannot be accommodated at library programs and events.
