Your Opinion Counts! The Parent Survey is Now Open

Dear Parent/Guardian,

As a means of improving results for children with disabilities, the Georgia Department of Education is required to survey parents of students receiving special education services. You are receiving this notice as the Parent/Guardian of a student receiving services in Gwinnett County and therefore, you are able to participate in this year's survey process.

This is an opportunity for your voice to be heard. The feedback you share will help guide local schools' efforts to improve Special Education services and results for children and families.

The survey is available on-line and can be accessed on the Georgia Department of Education website. You may enter the following direct link into your browser - www.gadoe.org/parent-survey or you may utilize the QR Code provided below:

Survey responses must be submitted by **May 31, 2021**. If you do not have access to a computer or smart phone, you may contact the Georgia Department of Education, Special Education Help Desk at 404-657-9968 in order to complete the survey by telephone.

We look forward to your responses,

Dr. Nicole White
Executive Director of Special Education and Psychological Services
