

Dear Camp Creek ES Families,

Welcome to the 2018-2019 school year!!

The staff at Camp Creek ES joins me in a shared commitment to make this a year of learning, growth, and success for all of our students.

At Camp Creek ES, the 2018-19 school year will focus on "legacy".

Why LEGACY??

- Once we know what we want our legacy to be, we can start
- building it.
- Establishing legacy will allow us to start doing what matters, NOW.
- Knowing what we want our legacy to be will allow us to make better
- use of our time and resources.
- Working toward our legacy will influence our day-to-day decisions in a
- positive way.
- Gaining clarity on what we want our legacy to be can give our work
- meaning and purpose.
- Knowing the legacy we want to build will enable us to determine how
- we "show up" to school each day.

We are incredibly fortunate, in that a strong foundation has been created for us at Camp Creek ES - a foundation of instructional excellence, student achievement, and community involvement.

The task that we are now faced with is how to grow our strong foundation into a legacy that will endure and that we can be proud of. You and your student(s) will play an integral part in helping us to build a lasting legacy.

Looking forward to a great 2018-19 school year!!
