

School Supply List

Grade Level

I hope you are ready for an exciting year in fourth grade! There are so many things to look forward to: fun field trips, engaging projects, and clubs such as Earth Patrol. You can expect challenging work and increased responsibilities. However, there are several ways you can prepare in order to meet your full potential in fourth grade.

- READ - The Georgia Department of Education's Summer Reading Challenge for 3rd-5th graders is to read **8** chapter books during the summer. (This is just a suggestion).
- MEMORIZE - All students entering Fourth grade should **know** their multiplication facts through 12. **I am not joking. Memorize them!**
- WRITE – I invite you to write me a letter about what you're doing this summer or how excited you are about starting fourth grade.

A copy of the fourth grade general supply list is provided below. You may bring your supplies on Open House Day or on the first day of school. I will be using *Scholastic News* and *SS Weekly* for reading and social studies. These resources can be paid for on MyPaymentsPlus.

General supplies (**See individual teacher letter for specifics**)
