

## **Additional Updates**

**IEP/SST/RE-Evaluation meetings** - You will be contacted by your child's teacher or a school representative regarding any meetings that were scheduled next week.

**District Assessments (DA) Testing** - All DA testing has been suspended until we return to school. We will communicate information regarding a plan once we return to full operation.

**Progress Reports** - Progress reports are scheduled to go home on March 20<sup>th</sup>. We will adjust that date depending on when we return to school. Your child's teacher will communicate this information if we need to delay sending the reports home.

**eClass Speed/Access** - There are many school districts across the country that use the same platform as GCPS for students to access digital content. With so many students on the platform, you may experience slower than normal speeds. Please be patient!

## **COVID-19 - GCPS Communication Update**

Please continue to check the GCPS website to review the most updated information regarding DLD guidelines. The school will also continue to communicate through emails, Class Dojo, and our website.

As a reminder, the link below is to the district website regarding COVID-19 has been included. If you have trouble using the link below, you may also access this information from the Centerville ES or GCPS websites. Please also refer to the flyer below that includes guidelines for preventing the spread of any illnesses.
