**POSITIVE BEAR SPIRIT**

*In order to support and encourage student growth and development in all areas, the MVHS staff has committed to continue a positive approach by implementing a formal process that: 1) defines the behaviors that are desired in all Bears; 2) models and teaches these desired behaviors; 3) reinforces positive behavior through recognition and reward; and 4) monitors and measures the process while feeding back information to the other steps in the process. This approach has been embraced by schools throughout the country (see [www.pbis.org](http://www.pbis.org)), and MVHS is excited about being one of the first high schools in Gwinnett County to voluntarily engage in the process. The acronym B-E-A-R-S encompasses the following characteristics:*

- B**enevolent*
- E**ngaged*
- A**ccountable*
- R**espectful*
- S**ervice-Oriented*

We look forward to all staff, students, and parents engaging in support of these behaviors as we continue to strive for excellence in all areas (visit the school website at <http://www.mtnviewhs.com/index.html> for more information.

## GENERAL INFORMATION

### LOCKERS

Students may rent a locker for \$3.00 a year for the storage of books and equipment. It is the student's responsibility to see that the locker is kept locked at all times. The school is not responsible for lost or stolen items from the lockers. Any problems should be reported immediately to the attendance office. Some lockers can be repaired very easily while others require a locker repair service to be contacted. Security is sacrificed

anytime students share their combinations with other students. Only one locker may be purchased per student. Additional locks are not permitted on school lockers. All lockers are school property and remain at all times under the security of the school. **Periodic inspection of lockers may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant. Locker fee must be paid on MyPaymentsPlus.com.**

### **LOST AND FOUND**

Items found in and around the building will be brought to the cafeteria and kept there for a limited period of time. Items can be claimed during lunch. Found articles should not be taken off the campus.

### **VISITORS**

All persons who are not students or faculty members of Mountain View High School must have the expressed permission of the administration to be on campus or in the school buildings. Visitors to the school or campus should check in at the desk in the main lobby. **Outside food may not be brought into the school/delivered for students.**

### **STUDENT ACCIDENT INSURANCE**

If you wish to purchase student accident insurance for the school year, ask for an information brochure and mailing envelope from the athletic office. Two types of student insurance policies are available. They are (1) Coverage while the student is at school and (2) Full-time coverage (24 hours). School Time and Full Time Coverage include all sports except football for students in grades 9-12.

### **CAFETERIA SERVICES**

Mountain View High School offers an excellent lunch program to its students and staff. Student meals are \$1.50, Reduced are .30 and adult meals are \$3.00 for a regular meal. Lunch lines are operated on a self-serve basis allowing students a choice of items as well as portions to be served. Students may elect to serve larger portions of particular items but will be appropriately charged for these extra portions. Students are not allowed to leave the campus for lunch and all food should remain in the cafeteria.

### **STUDENT EDUCATIONAL RECORDS**

Under the Family and Educational Rights and Privacy Act of 1974, parents have several rights. These include the right to inspect and review educational records of their child, the right to challenge the content of those records, the right to control the release of the educational records of their child, the right to complain to the Family Educational Rights and Privacy Office about the school's failure to comply with the law, and the right to be informed of these rights just listed. To obtain a copy of Gwinnett County's policies on its compliance with the law, or to request the opportunity to inspect and review their child's records, parents should contact their child's school."

Gwinnett County Public Schools provide the student and his or her parent with important rights pertaining to student records through policy "JR." These rights include the following:

- the right to receive this information in a format understandable to the student and parent
- the right to inspect and review student records by parents (and in the case of students over the age of eighteen, by students) within 45 days of the request and the right to have the records explained

- the right to copies of student records
- the right to challenge the content of student records and the procedures for doing so, including the availability of formal proceedings to resolve these disputes
- the right to request that material be removed from student records and the procedures for doing so
- the requirement of parental or student consent and methods of consent before the disclosure of student records except in certain specific circumstances
- the rights of separated or divorced parents and legal guardians pertaining to student records

- The student or parent may contact the local school for more information about the above list of rights.
- Parents can request a copy of the student's educational record in person by visiting the counseling office. The cost is \$5.00. The copy will be available for parent, or student, pick up on the following Friday.

"Copies of a student's educational record may be transferred to officials of other schools or school systems in which the student seeks to enroll. Unless parents express, at the time of enrollment in the Gwinnett County Public Schools, a need for additional notice of the transfer of student records, the records transfer to the enrolling school or school system will occur without further notice."

"School officials must require the parent or guardian to provide proof of residency in the district and attendance zone at the time a student is initially enrolled in a school."

### **MEDICATIONS**

Taking medication at school is discouraged. However, in the event a student must take medication at school, any medication, prescription or over-the-counter, must be turned in to the clinic. **All medication is dispensed in this office and is kept in a locked cabinet. Medication may not be dispensed to a student unless a picture ID is presented (school ID, state issued driver's license or ID card).** All medications must be delivered by the parent in the original bottle and accompanied by an Administration of Medication Form. Any medication sent in envelopes, baggies, etc. would not be administered. These forms are available through the clinic. Failure to take medications to the clinic could result in serious disciplinary action, from 3-day suspension to disciplinary panel.

### **TRANSPORTATION**

Gwinnett County School System provides bus transportation to every student enrolled in school, provided the student lives within the county and attends the appropriate school within his/her school attendance zone. Students are NOT allowed to ride the bus home with other students except in cases of extreme emergency. Emergencies do NOT include the need to work on projects together, spend the night plans, ball practices, parent meetings/events. etc. If there is an emergency situation, such as parents are called out of town suddenly due to a death in the family, please contact the Transportation Office at 678-765-4955.

### **TEXTBOOK POLICY**

It is the policy of the Gwinnett County Public Schools to administer a system of maintaining and controlling textbooks, library books, media materials, and technology. Recognizing that these materials represent a sizable financial investment, the school will establish rules and regulations, as it deems necessary for the care and protection of these materials.

These rules and regulations may include any of the following sanctions against a pupil

who fails to pay for a lost or damaged textbook, library book, or media material at the replacement cost:

- Refusal to issue library books, or media materials until restitution is made, or
- Withholding/withdrawing parking privilege
- Withholding the opportunity to participate in the graduation ceremony
- Track the textbooks and library books checked out to you via the portal.

### **KEEPING MOUNTAIN VIEW HIGH SCHOOL CLEAN**

In order to maintain the outstanding facilities we have been given, students are expected to help keep the campus clean and free of debris. Students are expected to clean up after themselves during their lunch period.

## **CURRICULUM AND INSTRUCTION**

### **GRADING SYSTEM**

A = 90 - 100

B = 80 - 89

C = 74 - 79

D = 70 - 73

F = 0 - 69

### **INCOMPLETES**

Incompletes will **not** be given. If a student has missed an assignment due to an excused absence, the grade of zero will be averaged in the place of that grade **until the student makes up the work within five (5) days or following other arrangements granted by the teacher**. All **pre-assigned** work will be due on the day of a student's return from an absence. All incomplete work carried over into a new semester should be completed no later than the fifth school day following the excused absence and should be approved by the AP for Curriculum and Instruction. If work is graded and returned to students within the 5 day period, student work may not be accepted.

### **MAKE-UP WORK**

When a student has an excused absence, he/she has five (5) school days to make up missed work. A student who has been suspended will be given the opportunity to make up the work missed when he/she returns to school. No work will be sent home during suspension. **The five-day rule does not apply to long-standing due dates on assignments such as term papers, projects, and on-going reading, and in some cases, tests.** In those cases, it is generally expected that the student would turn in the assignment on his/her first day back in school. If work is graded and returned to students within the 5 day period, student work may not be accepted.

### **PROGRESS REPORTS**

Progress Reports are sent out 2 times each semester: at **6 weeks and 12 weeks**. The report gives the cumulative grade at the time of issue. Parents may view their students' grades by accessing <https://go2.gwinnett.k12.ga.us/parents/PPS/login> parent portal. Forms for registering on the site are available in the counseling office. Due to confidentiality, this form must be completed by the birth parent or legal guardian and submitted in person along with a picture identification.

### **REPORT CARDS**

Report cards for first semester will be **mailed** to students during the first two weeks of the following semester. Report cards for second semester will be mailed home approximately 2 weeks after school has ended.

## **REQUEST FOR HOMEWORK**

A student who will be out of school for three or more consecutive days may request homework assignments by emailing his/her teacher or through the Counseling Office for the period of time he/she will be absent. However, **the teachers are to have 48 hours notice**, and the student is expected to turn in all requested work within three school days upon returning to school. Teachers have homework posted on eClass.

## **SCHEDULE CHANGES**

**Changes in students' schedules will not be made to move a student from one teacher to another or from one period to another unless the school must do so to balance class sizes. Legitimate reasons for dropping/adding classes once the semester has begun are**

- The student has already received credit for the course.
- The student is taking a course out of sequence.

**Students or parents should email a letter to the AP for Curriculum and Instruction indicating which reason makes it necessary to change a class. Schedule change requests received before the new semester begins will be considered but not guaranteed.**

## **ACADEMIC LETTER REQUIREMENT**

Students who earn a 90 or above average for each semester of the preceding year will be recognized at an official ceremony in the fall. The student will receive a letter of recognition for his/her first year and will receive a pin for each subsequent year of recognition. (Grades will not be rounded to the next highest number in order to achieve eligibility for this academic recognition.) Students transferring from schools outside of Gwinnett County will be eligible for a Mountain View letter after one full year in attendance.

## **GIFTED EDUCATION PROGRAMS**

The Gwinnett County Public Schools gifted education program serves students in grades K - 12 by providing academic challenges for those who are intellectually advanced. The gifted program is called FOCUS at the elementary level, PROBE at the middle grades, and Gifted Program at the high school level. Any teacher who has knowledge of a student's intellectual abilities may refer a student to the local school's gifted referral committee.

The classes offer accelerated learning and enriched academic curriculum experiences that focus on and extend Gwinnett County Public Schools' Academic Knowledge and Skills.

**Students are identified and placed in gifted education based on criteria established by the Georgia General Assembly and the Georgia State Board of Education.**

Students who transfer from gifted education programs within the state of Georgia have reciprocity into the Gwinnett program providing the original placement was correctly completed. Students who transfer from out-of-state must meet Georgia requirements. Parents should notify the school when registering their child that he/she was identified as a gifted education student in their previous school.

## **VOLUNTARY STUDENT CONTRIBUTIONS**

School contributions may be collected for the purposes listed herein. These funds are over and above funds provided under the Quality Basic Education Act. Contributions will not be compulsory, a grade may not be withheld, and access to credit-granting courses will not be denied because of non-payment of listed contributions.

## **VALEDICTORIAN AND SALUTATORIAN**

The Valedictorian and Salutatorian will be determined after the completion of fall semester in December. The college preparatory senior with the highest cumulative grade point average will be recognized as the Valedictorian. The college preparatory senior with the second highest cumulative grade point average will be recognized as Salutatorian.

## **HONOR GRADUATES**

Senior students who have achieved an overall cumulative grade point average of 90 or above at the completion of fall semester in December will be recognized as Honor Graduates. (Students who believe their averages have risen to this level after spring semester must contact the counseling office with proof of their new average in order to be recognized.)

## **HOMECOMING & PROM REPRESENTATIVE REQUIREMENTS**

All students attending homecoming and prom must be academically in good standing. In order to be eligible to represent Mountain View High School for homecoming court or prom royalty, students:

- Should not have served O.S.S. for the current semester nor previous 4 semesters.
- Should never have been paneled from Gwinnett County Schools
- Must maintain a 2.0 G.P.A. and be on track for graduation.

***NO TICKETS WILL BE SOLD AFTER the deadline.***

- Tickets are non-refundable
- MVHS students may purchase one additional date ticket
- Dates must be in at least the ninth grade and under age of 21 (no more than one year out of high school)
- Students attending the dance must be present at least half of the day Friday (per the extracurricular events policy) in order to attend

## **HOME AND PRIVATE SCHOOL COURSE VALIDATION**

In accordance with Southern Association of Schools Standards, please be aware that Gwinnett County Public Schools will validate competency, by course, before awarding Gwinnett County Public School credit for work completed at a home school or private school that is not accredited by the Southern Association of Colleges and Schools or its equivalent. (Examples: Middle States Association, North Central Association, New England Association, etc.) Students entering a Gwinnett County Public High School from a non-accredited public or private school or a home school program will be required to validate competency by examination. If you attend or plan to attend a non-SACS accredited school or a home school and subsequently request credit for the experience from a Gwinnett County Public School, please check with your counselor for details involving awarding of Gwinnett County Public School credit.

## **HOMELESS CHILDREN AND YOUTH**

The Stewart B. McKinney/Vento Education for Homeless Children and Youth Act ensures the educational rights and protections for children and youth experiencing homelessness. It provides legal protections for children and youth in homeless situations to enroll in, attend, and succeed in school and preschool programs. In accordance with

this law, Gwinnett County Public Schools affords homeless children and youth equal access to the same free, appropriate public education, including public preschool education such as Head Start, Even Start, State Pre-K, and Title I Preschool Programs as provided to other students. Homeless children and youth will have access to education and other services that he/she needs to have an opportunity to meet the same challenging state student academic achievement standards to which all students are held. Please contact your counselor for further information.

## **SCHOOL ADMISSION OF SUSPENDED OR EXPELLED STUDENTS**

(Policy JDF) The Gwinnett County Board of Education may decide not to admit a student into the school system that has been suspended or expelled from another school system during the period of such suspension or expulsion.

Before an entering student will be excluded for the operative suspension or expulsion period, the Gwinnett County Board of Education will hold a preadmission hearing to determine whether the cause for a particular student's suspension or expulsion from another school system would justify suspension or expulsion from the Gwinnett County Public Schools. A certified copy of the other school system's order of suspension or expulsion shall be obtained.

If the student's conduct would have justified suspension or expulsion from Gwinnett schools, the student may be barred from admission for such time as is authorized by the school system's rules governing long-term suspension. This same process will be used to determine school admission enrollment eligibility for students who pose a threat to the school community.

State Law: Students in sixth grade or higher transferring to a new school will be required to provide academic and disciplinary transcripts to school officials. Students will be required to disclose conviction of designated felony acts and whether they currently are serving a suspension or expulsion from another school, the reason for such discipline, and the term of discipline. Schools can refuse to admit students under disciplinary action from other school systems. In lieu of compliance, a student may be admitted on a conditional basis if he/she and his/her parent or legal guardian executes a document providing the name and address of the school last attended and authorizing the release of all academic and disciplinary records to the school administration. O.C.G.A. 20-2-670.

## **EXAM EXEMPTION POLICY**

Exam exemptions are for **second semester seniors only**. Seniors, who have an overall cumulative average of 90 or greater at the end of Fall Semester, will be exempt from taking objective examinations for the second semester. Seniors who have an "A" average in a specific course may exempt from taking a second semester exam on a course-by-course basis. The performance exams must be taken by all students. End of Course Georgia Milestone assessments may not be exempt.

If a student is eligible to exempt an exam, he/she may choose to take the exam. If the student chooses to take the exam, it will count the same as it does for all other students in the class.

## **PROMOTION POLICY**

Promotion criteria based on date of entry into 9<sup>th</sup> grade can be obtained through the MVHS Counseling Office.

## **COMPUTER NETWORK USER GUIDELINES AND RESPONSIBILITIES**

All computers accessed by students at Mountain View High School are to be used for instructional purposes only. With Internet availability comes the responsibility of the user to access only materials that are considered educational in value in the context of the school setting. Mountain View faculty and staff will make every effort to educate and guide proper use of technology including the Internet; however, on a global network, it is impossible to control all materials. Therefore, students will be held accountable for the appropriate utilization of the technology. **Remember: The fact that a student "can" perform a particular action does not imply that he/she "should" take that action.**

The use of any computer network or individual computer is a **privilege, not a right**, which may be temporarily or permanently revoked at any time for abusive conduct. Such conduct would include the placing of unlawful information on a system, the use of abusive or otherwise objectionable language in either public or private documents, acts of sabotage that are likely to result in the loss of work or the network itself. Disciplinary action will be taken in all cases of network abuse.

In a networked environment (or on stand-alone computers) it is unlawful and/or unethical to

- Alter any component of the computer, including (but not limited to) hardware, software, and/or network setting (e.g. downloading files)
- Use the computer to harm other people
- Interfere with other people's computer work
- Use a computer to steal
- Gain unauthorized access to other people's files or programs
- Copy software for which you have not paid
- Damage or down the network, including (but not limited to) the introduction of a virus which results in lost work or a damaged system
- Damage or destroy the operating system or applications
- Steal or damage computers and network equipment (cables, connectors, keyboards, etc.)
- Gain unauthorized access to on-line resources by using someone else's password. In Georgia, it is unlawful to share passwords with another person.
- Use the computer for other than instructional use (e.g. personal e-mail)

We are very fortunate to have labs, a media network many stand-alone computers, and ChromeBook carts at Mountain View High School. As users, students are expected to demonstrate the maturity and responsibility necessary when working in any computer-oriented environment. We expect students to understand that when working in a networked environment, every action taken by a user has the potential to affect the work of other users of the network.

## **ACCEPTABLE USE POLICY**

The Board recognizes that electronic media, including the Internet, provides access to a wide variety of instructional resources in an effort to enhance educational opportunities. Use of electronic resources must be in support of, and consistent with the vision, mission and goals established by the Board and for the purpose of Academic Knowledge and Skills (AKS) instructional support. All users of the district wide area network and/or other electronic informational services must maintain strict compliance with all applicable ethical and legal rules and regulations regarding access. The purpose of these guidelines is to ensure that all Gwinnett County Public Schools technology users share the Gwinnett County Public Schools technology resources in an effective, efficient,

ethical and lawful manner. Gwinnett County Public Schools technology should be used for legitimate, educational reasons only and not for personal use. Strict compliance with all applicable ethical and legal rules and regulations must be maintained by all users of the wide area network and/or other electronic informational services including electronic mail (email). Users must respect intellectual property rights and understand that school system data accessible over the network, regardless of the computer or device being used, constitutes property. All electronic, telephonic, and communications transmitted by, received from, or stored in these systems are property of the Gwinnett County Public Schools. Users of such systems should have no expectation of privacy. At NO TIME should a computer user consider Gwinnett County Public Schools e-mail private or confidential in any way. It is important to note that with a global network it is impossible to control or predict all materials a user may accidentally or purposefully discover on an electronic resource. Gwinnett County Public Schools personnel will make every reasonable effort to educate and guide all users in the proper use of electronic media, including the Internet. Because access to the Internet provides connections to other computer systems located all over the world, users must understand that neither the Gwinnett County Public Schools nor any district staff member controls the content of the information available on these other systems. Some of the information available is controversial and sometimes may be offensive. Gwinnett County Public Schools DOES NOT CONDONE the use of such materials. Therefore, it is imperative that the user be held accountable for the appropriate utilization of this technology. Login information, usernames, and passwords are confidential. YOU are responsible for keeping logins secure. At no time should someone log in with your user name or password, and you should not use another person's information. Computer users should never log into a teacher or staff member's computer; this must be done by the teacher or staff member. ACCESS IS A PRIVILEGE - NOT A RIGHT! Inappropriate use will result in a cancellation of these privileges by Gwinnett County Public Schools. Local schools may establish additional regulatory guidelines for electronic resources use that include, but are not limited to, guidelines established by this system-wide procedure. The definition of Gwinnett County Public Schools information and data resources will include any computer, server or network, or access provided or supported by Gwinnett County Public Schools, including portal-delivered applications and the Internet. Use of computer information and resources includes the use of data/programs stored on Gwinnett County Public Schools computing systems, data/programs stored and/or delivered through magnetic tape, floppy disk, CD-ROM's, DVD-ROM's computer peripherals, or other storage media, that is owned and maintained by the Gwinnett County Public Schools. The "user" of the system is the individual using Gwinnett County Public Schools technology. Gwinnett County Public Schools technology and electronic resources must not be used to:

- Harm other people.
- Expose GCPS students to inappropriate materials using GCPS technology.
- Steal real or intellectual property.
- Gain unauthorized access to other people's files or programs.
- Gain unauthorized access to on-line resources by using another person's password.
- Steal or damage data and/or computers and network equipment.

Failure to follow these guidelines can violate the Official Code of Georgia, O.C.G.A., Codes 16-9-90, 16-9-91, 16-9-93, and 16-9-93.1 as well as Title XVII of United States Public Law 106-554, known as the Children's Internet Protection Act. Such use can also lead to loss of access to Gwinnett County Public Schools technology resources and further actions as defined by existing Gwinnett County Public Schools policies and public law.

## HOSPITAL/HOMEBOUND/HOMEBASED

\*Please contact your counselor to begin the application process.

A student who has a medically diagnosed physical condition restricting him/her to his/her home or hospital for a minimum of ten consecutive school days may be eligible for Hospital/Homebound/Teleclass instruction.

Service to eligible general education (non-handicapped) high school students may provide three hours of homebound/teleclass instruction per week. Minimum service will provide instruction in the core subjects of mathematics and language arts. However, instruction in other areas may be provided based on the availability of funding to support instructional personnel.

The Homebound/Teleclass program is not structured to replicate a student's entire course schedule. In the past, local schools have developed effective plans to accommodate students who have short-term absences by allowing students to make up work or by providing modified assignments. It may be necessary for the local school Student Support Team to develop a plan to address course work, which is not available through Hospital/Homebound/Teleclass Service.

Some courses are not suited for delivery through a homebound setting due to the technological and participatory demands of the course curriculum. Arrangements to address the specialized requirements of laboratory, performance of field-based courses will be made at the local school with the SST.

An evaluation of the student's eligibility is based on the student's medical diagnosis by a physician and by the duration of consecutive absences. Students who will be absent for at least ten consecutive school days, as certified by a physician, are eligible for homebound services. In the case of projected absences (e.g. subsequent to surgery), the request for services can be made prior to the occurrence of the absence. A request for homebound services is to be accompanied by the principal's signature and parental approval.

General education students whose absence is projected for more than 20 consecutive school days may be referred by the SST to review and develop reasonable and appropriate plans for meeting the student's educational needs. Such students, for example, may be referred for evaluation to determine eligibility for special education services, such as "Other Health Impaired" programming.

## **PARKING PROCEDURES AND REGULATIONS**

**Please Note:** Parking on campus is a privilege. Therefore, certain rules and regulations are expected of the student to maintain this privilege. At Mountain View High School, a student must be in good academic, attendance, and disciplinary standing to purchase and keep a parking permit. At any time a student begins to exhibit inappropriate grades, attendance, and/or behavior, he or she will forfeit his or her parking privilege for the school year. The following criteria must be met before a student can apply for a parking permit:

- I. **No MAJOR** disciplinary referrals (i.e. drugs, weapons, fighting, AWOL from school, or any activity that could lead to a county disciplinary referral). Any student suspended pending a disciplinary panel will lose their parking privileges.
- II. Students with more than four (4) unexcused tardies to school will have their parking permits suspended and/or revoked for the remaining semester.

Each student who drives an automobile to school must register the vehicle by purchasing a parking permit. Parking permits cost \$70.00 for the year. **No refunds will be issued.** The parking decal must be permanently attached to the vehicle. In the event a student must drive a temporary vehicle to school, the student must sign the car in at the front office. Personal notes left on the dash are not acceptable. Unauthorized vehicles will receive a parking ticket. After the second violation, a parking boot will be attached to the car.

**Vehicles may also be towed at the owner's expense.** Students are reminded that ALL school rules are in effect in the parking area before, during, and after school.

Parking permits may not be sold, traded, or transferred from one student to another. Any student who sells, trades, or gives their parking pass to another student will have their parking privileges permanently suspended. The student who receives the unauthorized parking permit will have their parking privileges suspended for one year. Replacement stickers are subject to a \$15.00 fee. The original parking decal must be returned at the time of the replacement request. **Failure to return the original parking sticker will result in the student having to register their vehicle again for \$70.00.** Efforts are made to ensure parking lot security; however, Mountain View High School and Gwinnett County Public Schools assume no responsibility for damages, loss, or theft. If a car accident occurs on campus, it is up to the individuals involved to report the accident to school officials and the police to settle damages.

### **In addition to those things listed above:**

1. Drivers and passengers must leave their vehicles and parking lot **immediately** upon arrival and report to their classrooms.
2. No one may enter the parking lot during the day (except those students that are scheduled to leave) without permission from the Administration. Your vehicle will not be used as a locker.
3. The Administration has the right to search your vehicle as deemed necessary. Such searches may be conducted without notice, without student consent, and without a search warrant.
4. Busses and pedestrians always have the right of way.
5. Be courteous and cautious. **Speed limit is 10mph.**

6. No tire squealing, fast starts, “doughnuts,” or reckless driving.
7. Students are not allowed to ride in the back of any pick-up truck.
8. After leaving school, students should not return without written permission.
9. No smoking while arriving in, leaving, or walking through the parking lot.
10. Any reassignment of parking spaces can only be done by the Administration.
11. Your vehicle must occupy no more than 1 space.
12. All vehicles must have a sticker attached to the windshield to park on campus. If a student needs to drive a substitute vehicle on a given day, he or she needs to sign in the new car in the front office.
13. Teachers cannot give you permission to park on campus. Any special parking arrangements must be approved through the Administration.
14. Students are expected to comply with all State of Georgia Traffic Rules and Regulations and Road Safety Rules while on school property.

#### **Parking Violations and Fines**

## **MOUNTAIN VIEW HIGH SCHOOL ATTENDANCE POLICY AND PROCEDURES**

### **STATEMENT OF POLICY**

School attendance is important because it underscores the significance of learning and the importance of obtaining an education in our society in addition to helping students develop good work habits that will carry over in life. Good attendance also correlates strongly with improved grades. A minimum level of attendance is required for attainment of the Academic Knowledge and Skills (AKS) curriculum. The responsibility of school attendance is that of both parents and students. The Superintendent has designated the minimum levels of attendance in procedure consistent with state standards.

### **ABSENCES TO MOUNTAIN VIEW HIGH SCHOOL**

In accordance with state attendance guidelines, parents/guardians must send a **signed**, written note or a doctor’s note when the student returns to school explaining the reason for the absence, the date(s) of the absence(s), Student ID, and a daytime phone number. These notes should be taken to the attendance office within two (2) days of the student(s) return to school. If the student fails to bring a note, the absence will be regarded as an **unexcused explanation** for the absence. If a student has five (5) unexcused absences, the school will make contact with the parent/guardian or person having charge or control of the student to notify them of these absences and possible consequences. The school shall send a written notice via certified mail with return receipt requested.

For students age 14 and over, the school also will notify the student and parent when the student is within 3 unexcused absences of having a report filed with the Georgia Department of Motor Vehicles, which may result in the loss or denial of a learner’s permit or driver’s license.

State law calls for the suspension of a student's driver's license or permit for one (1) full year or until the student reaches the age of 18. If a student:

- A. Drops out of school and has remained out of school for ten (10) consecutive days.
- B. Has ten (10) or more unexcused absences from school during the current academic year or ten (10) or more school days or unexcused absences in the previous year. The student may not have ten (10) or more unexcused absences in a calendar year.
- C. Has been found in violation by a hearing officer, discipline panel, or tribunal of one of the following offenses, has received a change in placement for committing one of the following offenses, or has waived his/her right to a hearing and pled guilty to one of the following offenses: threatening, striking, or causing bodily harm to a teacher or school employee, possessing or selling a alcohol or drugs on school property or at a school-sponsored event, possessing or using a weapon on school property or at a school-sponsored event, committing any sexual offense, or causing substantial physical or visible bodily harm to or seriously disfiguring another person, including another student.

To facilitate prompt, appropriate communication between the home, school, parents/guardians or persons having charge or control of a student should notify the school immediately when there is a change in the student's address and/or phone number as listed in school records.

Possible consequences and interventions for unexcused absences, tardies or excessive early checkouts may include, but are not limited to, the following:

Revocation of School Transfer	Counseling Group Participation
Loss of driver's license//learner's permit	Loss of Parking Permit
Isolated Lunch	Student/Parent Conferences
In-school suspension	Out-of-school suspension
Referral to School Social Worker	Referral to Juvenile Court
Referral to Social Service Agencies	Referral to Disciplinary Panel
Student Attendance Review Committee Meeting	Attendance Contracts

There is no charge for the ADAP verification. However, if students need a replacement ADAP card, replacements can be ordered on MyPaymentsPlus for \$5 and picked up from the Main Lobby Desk with a two (2) day turn around.

### **PREARRANGED ABSENCES**

**(Always Unexcused) Policy** - If parents find it necessary for students to miss school due to an out of town trip (**limit 5 days per year**), absences must be signed by the Assistant Principal over the Attendance Office. If approved, the student may make up missed work. A prearranged absence does not make the absence excused. Only reasons for absences on the state approved list will be excused.

### **Procedures**

1. Obtain a prearranged absence form from the Attendance Office three (3) or more days prior to the absence.
2. Fill out the form and obtain a parent/guardian's signature.
3. Have **all** teachers sign the form.

Emancipated students are allowed to check themselves in or out if court papers are on file. All other guidelines for attendance will be followed accordingly.

This includes prom, dances, games, plays, etc.

## **TRUANCY (AWOL) - POLICY**

Students who leave campus without checking out or who are absent without their parent's knowledge will be considered truant. Students who skip part of a class, classes, or whose parents allow them to miss school for invalid reasons will also be considered truant. The administrator will handle truancy with consequences ranging from detention to disciplinary panel.

**Truant** - Any child subject to compulsory attendance who during the school calendar year has more than five (5) days of unexcused absences.

You have the right to pursue an education in an orderly environment free of distractions and disruptions by other students. You have the responsibility to live up to these expectations.

### **STUDENTS AND EMPLOYEES GRIEVANCE PROCEDURE**

## **DEFINITIONS OF DISCIPLINARY ACTIONS**

1. **Departmental Detention** - Given at the discretion of the teacher for various classroom disruptions. Departmental Detentions may vary in length from 30 minutes to 1 hour depending on the offense. Departmental Detentions are served with a teacher within the same department of the assigning teacher (math, science, etc.).
2. **The Cave** – Silent lunch is assigned by an administrator for various offenses. It is conducted during the lunch/intervention period. Students must bring material to work on for at least one hour.  
Failure to serve silent lunch will result in the student being assigned another consequence.
3. **In-School Suspension (ISS)** - Removal of the student from regular classes and assignment to classroom set up for this program; exclusion from all school-sponsored activities; social isolation and course work required. If a student is absent from school during this period of time, in-school suspensions will be completed upon return to school.

6. **Expulsion** - Removal of a student from the school system for an extended period of time or permanently by the Board of Education.

## **GWINNETT COUNTY STUDENT CONDUCT BEHAVIOR CODE**

At the beginning of the school year or upon enrolling, all students receive and sign for a copy of the Gwinnett County Public School Student/Parent Discipline Handbook. Students and parents are encouraged to review this text as it contains the 12 Rules of the Student Behavior Code and details the rules/consequences in Gwinnett County Public Schools.

## **LOCAL SCHOOL DISCIPLINE CODE AND ELECTRONICS POLICY**

**In addition** to the previously stated Student Conduct Behavior Code of Gwinnett County Board of Education, the following rules of Mountain View High School will be followed by all students.

### **A. Hats, Hoods, Visors, and other head gear:**

Hats, hoods, visors, do-rags, scarves, laser pointers, chains (including but not limited to wallet chains), sunglasses and other similar items are not to be worn or visible during the school day. Picks, combs, brushes, and similar items will not be worn and/or displayed in a student's hair.

**Students and Parents---We ask that you take the time to review the guidelines listed below regarding the use of electronic items during school.**

In accordance with GCPS policy, local school principals can set guidelines for the use of cell phones and/or electronic items on school grounds. **Mountain View High School's**

**first priority is to have an interruption-free and distraction-free learning environment for all students, teachers and staff.** Many of us have been interrupted in conversations, meetings, concerts, and other venues with cell phones/electronic items, and the frustration of these disruptions will not be allowed to occur in our high school.

**Electronic Devices: Cellular Phones, Tablets, I-Pods, etc.**

Devices may be used during the school day between classes, during lunch, and before and after school but never during class, or advisement without the explicit, direct permission of the teacher. Students still must follow school rules while operating the devices. Not being able to hear or see directives because of the use of these devices will never serve as an acceptable excuse for non-compliance. Ear buds should therefore be used with caution. Devices are not permitted in ISS.

**When may a device be used in a classroom, office or other instructional setting?**

1. Students may only use a device for academic purposes with explicit, direct permission from teacher or faculty member. Each teacher or faculty member determines the academic use of devices in their classroom.
2. Ear buds must be removed immediately upon entering an instructional setting (classroom, clinic, office, etc.)
3. Devices must be turned to silent/vibrate.
4. All devices are to remain off and stowed away during all testing situations in the classroom.

**Who is responsible if the device is lost or stolen?**

The student must secure his/her device at all times and never leave it unattended. Students should guard against theft as they would in any public building or area. Theft of such devices is an unfortunate issue facing public schools, and often these devices cannot be recovered. Students should keep the devices on their persons at all times or locked away. **School personnel and/or administration are not responsible for the loss or damage of any device brought on school property.**

**B. Forgery**

Students shall not forge a signature on any school-related document. Students who violate this rule could receive disciplinary consequences.

**C. Cafeteria Behavior**

Students are expected to behave in a courteous manner in the cafeteria. **Students are required to remove ear buds while acquiring food and communicating with staff members.** Breaking in line, throwing food or objects, leaving trays or trash, or making loud noises is not acceptable. It is the responsibility of the student to clean up the area that they use during lunch. Trash cans will be provided for this purpose. **Stealing food or drink from the cafeteria will result in administrative consequence.**

**D. Food and Drink in Classrooms**

Students are not allowed to have open food or drinks in any classroom, OR any computer lab. Only water in a clear bottle is allowed in the classrooms. For safety reasons, glass containers/bottles are not allowed.

**E. Dress Code**

Students at Mountain View High School are expected to dress in a manner that is supportive of a positive learning environment that is free of distractions and disruptions. There is a direct correlation between student dress and student behavior. Appropriately, dressed students behave appropriately. Students will be expected to observe modes of dress, styles of hair, and personal grooming that support the "Expect Excellence in Everything" atmosphere at MVHS.

The dress code is designed to reduce the likelihood of distraction or disruption to the daily academic focus. MVHS should be considered a work place and the student should dress accordingly. Instruction is interrupted when a student is referred to an administrator for inappropriate dress. If (in the judgment of the administration or staff) a student is dressed inappropriately, the student will receive a dress code violation and will be required to wear MVHS dress code clothes (sweatpants and t-shirt). The purpose of the student dress code is not to inhibit any person's taste in attire, but rather to better facilitate the process of education through reasonable guidelines of dress instilling dignity and pride.

**The following are specific areas that are addressed: (This list is not all inclusive)**

This includes but is not limited to offensive words and designs, violence (blood, death, and weapons), sex, Playboy symbols, hate groups, tobacco products, drugs, or alcohol.

Criminal gang-related attire includes but is **NOT** limited to the following:
