Kids Heart Challenge

Trip ES is a Gwinnett County/Kids Heart Challenge TOP 10 school for the 2021-2022 school year!!
Congratulations!!

Our school made an incredible impact with the American Heart Association last year, and they have recognized **Mr. Larry Smith**, our PE teacher, with a commemorative plaque. Our partnership with the American Heart Association beneficially impacts our communities. We have a wonderful community of heart heroes and a tremendous leader at our school! ♥ Thank you to all the students and parents who participated!
