We're hiring! Come SHINE in our award-winning district as a GCPS educator.

There's a light in all of us. Some are so bright, they can illuminate pathways, provide guidance, and warm hearts. At GCPS, we know that when someone is supported and celebrated, their light grows in intensity. We see it every day in our teachers, students, and staff. We are united by our mission to make a difference, fueling the success of our children and making GCPS the best it can be. Together, we "Shine".
