Spanish for Native Speakers Course Descriptions

SNS 1 - intended for Heritage Learners that were born in the U.S. or arrived at a young age and grew up speaking a mix of Spanish and English at home. It is also beneficial for Native Speakers of Spanish that have a low level of literacy.

SNS 2 -intended for Native Speakers that have grown up primarily speaking Spanish at home. Students that were educated in another country should begin in SNS II if they have a high level of literacy. It is also the second course in the sequence for Heritage Learners after they complete SNS I.

SNS 3 - continuation from SNS 2
