

Fort Daniel Gardening Day

We will Celebrate Earth Day on
Saturday, April 27th (8:30am - 12pm)

Celebrating Earth Day is an opportunity to teach students about our planet and how to protect it. We will raise awareness in our school by sharing ways we can help preserve our environment and give back to nature through planting!

You are invited to **join our new Principal Dr. Barbara Tucker**, PTA Board Members, FDES Families and Staff as we pitch in to make the school look as beautiful on the outside as it does on the inside!

We'll be planting rose bushes and annuals (flowers) at the front entrance, trimming hedges, and doing general clean up. We want the school to look great for the end of year and beginning of year activities!

Please bring the following items if you have them: flowers, gloves, gardening tools, shovel, truck, hedge clippers, electric or gas (preferable) hedge trimmers, blowers, bottled water, sports drinks, etc.

To RSVP, please contact PTA Co-President Beth Martin to let us know you are participating!
