Dear Neighborhood Merchant:

Hello! We are the co-presidents of the PTA at Freeman's Mill Elementary School. This school year may not be starting out like "normal" but we still strive to support our students and school in any way we can. We also want to help our community by promoting local businesses. We would love to have your sponsorship and support this year as we work together with the next generation. We have modified the program to best fit this year and hope that you will find a way to partner with the parents, teachers and children in our local community. We would love to have you as one of our 2020-2021 community sponsors. We are looking for sponsors to provide a donation to support multiple programs this upcoming year to benefit the Freeman's Mill students. With all the challenges that Covid-19 continues to present the PTA is committed to helping our students and teachers in every way possible.
