Color Run Tips

As our FMES Color Run event approaches, we wanted to share important information and tips to ensure your child has an amazing time! The PTA spent nearly a year researching and planning for this event.

1. The color powder was purchased from a company called Chameleon Colors. The powder is non-toxic, made in America, environmentally safe, and made from high-quality materials. If you want to know more about the company you can visit them at <https://chameleoncolors.com/pages/fags>
2. Student safety was a major concern as we know many students suffer from allergies and/or asthma. The powder was tested with children who have allergies and/or asthma, and there was no reaction to the product. A bandana is offered in the race kit so students could use it to cover their face during that time. You can also send in a facemask or your own bandana with your child that day for extra protection should you choose to do so.
3. Students will not be allowed to throw the powder at another person's face and they are not allowed to ingest it. We will communicate this to the students participating. Sunglasses are offered in the race kit as extra protection for their eyes. Feel free to send in a pair for your child to wear.
4. The color powder is washable! We will have a cleanup station for students to dust off and wash their hands and arms.
5. Please do not have your child wear something to school that day you are worried about getting dirty. They will be dirty! If you did not earn a race kit, be sure to have your child wear a light-colored t-shirt to school and send in an extra shirt to put on if they want to change afterwards.
6. Hair will get dirty and have color in it. Please plan accordingly. You may send a hat, bandana, or anything for your child to wear during the event to protect their hair.
7. Parents are welcome to join us for the event! Feel free to take pictures and share them with us either on our FMES PTA Facebook page (@FMESPTA) or by emailing them to us. Please see below for grade level schedule.
8. For students to participate in the walk/run you must register online OR send in a \$5 participation fee. Go online to www.getmovinfundhub.com and register an account for your student. For Student Identifier use: 5d2f285630631. Share via email, text, Facebook, or Twitter. If that's not an option, we ask for a \$5 participation fee. We accept cash or checks made payable to FMESPTA.
9. To participate in the Color Throw Party you must raise at least \$10 to earn one color powder bag.
10. If you have any questions or concerns, please email us at ptafmes@gmail.com or you can call the school and leave a message for a call back.

Thank you so much for your support this year!
We are going to have an amazing time at the FMES Color Run!
