

Freeman's Mill PTA Needs YOU!

Our school's PTA sponsors and implements many programs that enrich the school experience for our children. Funds raised from the Color Run, Mother-Son Night, and Father-Daughter Dance provided classrooms with new technology, purchased brand new gym equipment, added books throughout the school, and so much more! We were also able to host free community events such as Polar Express and STEAM nights, support the Cultural Arts Program, and provide food and refreshments for teachers on special days throughout the school year. Additionally, we have been able to provide direct classroom support through our Room Parent, Promoting Incredible Readers, and VIP programs.

We would be honored to have your support of the PTA in any capacity. Please understand: Offering to volunteer a portion of your time does NOT mean that you must commit to a certain number of hours or attend every meeting – we respect that you do only what you can, when you can and welcome any contribution you are able to make.

We have a few specific needs for the upcoming school year, including opportunities for leadership roles on some of our committees. Your participation can help ensure these programs continue to benefit our students and community.

2020-2021 Volunteer Positions Needed and Approximate Time Commitments

- Red Ribbon Week Chairperson – One week in October, plus planning leading up to this week
- Father Daughter Dance Chairperson (or persons) – Event planning & execution for February event
- Family Spirit Nights Chairperson – Coordinate with Rockin' Jump & Dacula Family Sports for spirit nights in August & February
- VIP Co-Chair – Weekly position on Wednesday mornings to assist with classroom and school projects.

If you are interested in any of these positions, please contact Rebekah Woods at rwoods@fmespta.org.

Thank you for all that you do and give to make our school a success!
